Further information may be obtained from the carrier. Liability for loss, delay or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid:

1. For most international travel (including the domestic portions of international journeys) to approximately $9.07 per pound ($20.00 per kilo) for checked baggage and $400.00 per passenger for unchecked baggage.
2. For travel wholly between U.S. points, to $750.00 per passenger.

CHECK-IN POLICY

Customers are required to present their tickets at the Air Florida departure gate at least 10 minutes on domestic flights and 45 minutes on international flights prior to scheduled departure time, otherwise reservations may be cancelled.

SECURITY NOTICE

U.S. Government security regulations require the search of all passengers and articles carried on board aircraft. Please limit carry-on articles to only those items necessary for your inflight needs and allow sufficient time prior to departure to comply with these regulations.

DISCLOSURE NOTICE—DELIBERATE OVERBOOKING

No-Shows are an industry wide problem. Invariably a number of passengers who hold confirmed reservations become "no-shows" at flight departure time. This number can be quite accurately predicted based on historical data. To avoid this wasteful practice and to enable thousands of additional passengers to fly each year, airline flights may be overbooked. There is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding for this reason may be entitled to compensation. Liability rules are available at all airport counters.

SCHEDULES

Times and schedules shown in this schedule are subject to change without notice. Safety is our primary consideration. Schedules are based on expected flying times. Because of weather and other factors affecting operating conditions—routing, types of equipment, departure and arrival times cannot be guaranteed.
