OUTBACK "BOOMERANG" TOURS

To the people of the timeless outback, the arrival of the mail plane is a big occasion. You can share the friendship of the outback station by joining one of BPA's mail-run aircraft. Aurukun-Drumduff - Lotusvale - Merluna — just some of the dream-time places you will visit. See the outback country as it really is

This is a day trip you will never want to forget. The fares are shown at the foot of each flight schedule. Lunch is provided.

"OLD GOLD" TOUR

The population of Cooktown declined as the Palmer Goldfield died. This tour includes a visit to the Captain Cook Museum as well as a guided tour of this historic town which reflects the splendour of its golden past. The fare is $34.00 inclusive of lunch.

"MINI-BUDGET" SCENIC AIRCRUISES

These scenic air tours are tailored for the mini-budget and for people with limited time available. This is the quickest and easiest way to absorb the beauty of the Atherton Tablelands, Green Island, and the splendour of the Barrier Reef. All for as little as $15. These flights operate with a minimum of five passengers.

BPA TRANS NIUGINI TOURS

A very colourful and informative brochure has been prepared for our 1974 package tours. Papua New Guinea is an exciting extension to your Cairns holiday, so enquire now at BPA or your Travel Agent.

"TRIANGLE 'C' DISCOVERY" TOUR

The magnificent Chillagoe caves; Historic Cooktown; the beauty of the Atherton Tablelands; the splendour of the Barrier Reef — it's all yours for only $46! This triangle tour will show you more in one day than you could see in a week by road. An interest-packed four hundred miles that none should miss, at an economic all inclusive price.

"BLUE LAGOON" TOUR

A tour that combines the history of Cooktown with the tropical beauty of Lizard Island. Take yourself back to the days of the prospector then fly to the blue coral lagoon and swim, scuba-dive or just bask in the sun. See the magnificence of the Barrier Reef unfold beneath you on the return trip to Cairns. The fare is $49.50 and lunch is provided.

We've put the fun back into flying.

The Friendly Professionals

Air charter is a highly specialised operation. It requires a comprehensive fleet of aircraft to meet all needs, expert staff, and plenty of experience. B.P.A. have all these things and more. We're expanding our charter service continually, and B.P.A. now offer a full service from four Queensland centres; Cairns, Townsville, Mount Isa and Mackay. We have now added another magnificent Cessna 402 twin-engined aircraft to the fleet. Big features of this aircraft are the bar and toilet facilities. We will continue to improve our charter service to provide faster, more comfortable and more economical flights anywhere - anytime. Now more than ever, when you think charter — think B.P.A.
