PASSENGER INFORMATION

RESERVATIONS:

Reservations for BPA flights may be made at any Airline or Travel Agents office.

TICKETING:

If reservations are made more than 2 days before flight departure, ticketing should be completed no later than 48 hours prior departure time. Failure to do so invalidates your reservation. If intending to travel in less than 48 hours you should purchase your ticket when making the reservation.

NON CANCELLATION:

Always cancel if you can't use your reservation — someone else may require your seat — failure to cancel may result in a fee being charged.

BAGGAGE:

Passengers travelling on BPA receive the same luggage allowance as they would on Ansett Airlines or T.A.A. (Normally one piece of checked baggage (within certain reasonable limits) is carried free and additional pieces are charged at set rates depending on distance travelled. Passengers making same day connections to International flights will be given the same luggage allowance on the BPA portion of their journey.

CHECK-IN:

Passengers are asked to check in at the airport of departure **no later than 15 minutes prior scheduled departure time.**

CHARGE FACILITIES:

BPA will accept T.A.A. credit cards as well as Bankcard, American Express and Diners Club.

PETS:

Owing to the possibility of causing offense to passengers BPA does not normally accept pets or other animals on passenger services with the exception of small birds or day old chicks.

CONCESSION FARES:

A number of concession fares exist, these include Children's, Day Return Excursion, Student's, Budget, Apex and Group Fares. Contact your BPA office for full details.

AIRCARGO:

All BPA flights carry air cargo with rapid connections to interstate and overseas destinations.
