They may be carried as Air Cargo after declaration and an inspection by BPA traffic staff, if the articles comply with the appropriate IATA regulations in regard to nature of material, packing and quantity.

MISSED CONNECTIONS
The Company does not accept any financial responsibility for missed connections, but does everything reasonably possible to assist passengers so affected to complete their journey with minimum delay.

TIMES AND FARES
Times and fares are subject to alteration without notice.

FORWARD BOOKINGS
For your convenience your forward bookings can be made either by phoning or calling on any accredited Travel Agent or BPA office.

RETURN BOOKINGS
It is always desirable that you make your return booking at the same time. However, if your return date is not definite, the return ticket may be left 'open', pending your advice of the departure date. On arrival at the port from which you will return, give BPA your address and phone number, so that you may be contacted if there is any change to your flight schedule.

ONWARD BOOKINGS
BPA has facilities to arrange your journey by TAA, Ansett or Avis.

SCHEDULE CHANGES
Changes to the schedules in this timetable may be necessary to cater for seasonal demand, operational difficulties due to weather or aircraft unserviceability and other unforeseen circumstances. Where possible booked passengers will be notified of changes.

INTERNATIONAL TRAVEL
BPA as General Sales Agents for Qantas can make all overseas travel arrangements. BPA Agents can also offer the facility.

NO SMOKING
Passengers are asked to refrain from smoking on all BPA aircraft. We ask this in the interests of the comfort of all our passengers.

AIR CARGO

CLOSING TIME
Cargo may be delivered to the Company's Airport Terminal up to 1 hour before flight departure. Ansett Airlines of Australia or Trans Australia Airlines will accept cargo at their Cairns city offices up to 5 p.m. the previous day.

MINIMUM CHARGE
A minimum charge of **$6.00** per consignment is applicable.

AIR EXPRESS
Air Express ensures first freight priority and is accepted on the basis of double standard rates. Minimum charge is **$8.00**.

BULKY CARGO
When consignment of 4 kg is contained within a cubic foot, standard rates apply. Where this measurement is exceeded the charges are based on 4 kg = 1 cubic foot.

COLD STORAGE
Limited freezing facilities are available at the BPA Cairns Airport Terminal. Applications to use the facilities should be made beforehand to the Airport Manager. There is no charge for this facility.

LIVESTOCK
Small only domestic animals are accepted for carriage in "Pet-Paks" at normal freight rate plus 50% surcharge. Where livestock accompany fare paying passengers, excess baggage rates apply.
All animals should be sedated prior to travel.

DANGEROUS CARGO
Dangerous goods may be refused. Air regulations list many types of chemicals and highly inflammable materials as DANGEROUS GOODS. These must comply with strict air transportation conditions for safety and attract double cargo rates. The responsibility rests with the consignee to have the goods packed in such a way that they comply with these regulations.

FREIGHT COLLECT AND C.O.D.
All freight must be prepaid unless special charge arrangements have been made with the Company.

INSURANCE
Air Cargo is carried at Consignor's risk. Insurance can be arranged at a small additional fee. Ask at any Cargo office for details.

VOLUME CONSIGNMENTS AND BACKLOADING
Special rates can be arranged for backloading and volume consignments on a regular basis.
