GENERAL INFORMATION

BAGGAGE INFORMATION

Limits of Liability on Baggage

Liability for loss, delay or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid:

1. For most international travel (including the domestic portions of international journeys) to approximately $9.07 per pound ($20.00 per kilo) for checked baggage and $400 per passenger for unchecked baggage.
2. For travel wholly between U.S. points, to $750 per passenger.

Baggage Allowance

Each passenger is permitted to check two bags with size limitations. Carry-on baggage capable of fitting under a seat is also allowed. (This item may be checked as a third piece of baggage provided no baggage is carried on the aircraft.) There is a nominal charge for each additional piece or those weighing more than 70 pounds.

Excess valuation may not be declared on certain types of valuable articles. Carriers assume no liability for fragile or perishable articles. Further information may be obtained from the carrier.

CHECK-IN POLICY

Customers are required to present their tickets at the Air Florida departure gate at least 10 minutes on domestic flights and 45 minutes on international flights prior to scheduled departure time. Otherwise reservations may be cancelled.

DISCLOSURE NOTICE—DELIBERATE OVERBOOKING

The no-show factor approaches 25% on peak period flights. Please cancel your reservations if your plans change, or you are unable to use them for any reason. There are many customers desiring confirmed seats that cannot be accommodated because of reserved space that will not be used.

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding on a flight may be entitled to a compensatory payment. Liability rules for denied boarding compensation are available at all airport ticket counters.

The reason some flights are overbooked is that invariably a number of passengers who hold confirmed reservations become "no-shows" at flight departure time. Because the minimum number of "no-shows" can be predicted quite accurately based on historical data, the practice of overbooking avoids wasteful empty seats and enables thousands of additional passengers each year to travel on flights they prefer.

(Times and schedules shown in this schedule subject to change without notice.)

DON'T BE A NO-SHOW!

The no-show factor approaches 25% on peak period flights. Please cancel your reservations if your plans change, or you are unable to use them for any reason. There are many customers desiring confirmed seats that cannot be accommodated because of reserved space that will not be used.

NEW DOOR-TO-DOOR PACKAGE DELIVERY

Now get pick-up and delivery with Air Florida's Jet/Pak Service. Domestic pick-up is $20. The flight is $20. Delivery is $20. Ship small packages under 50 pounds. We guarantee to get your package anywhere in the continental U.S. where it's supposed to be, when it's supposed to be there. If not, it'll be on us. Free.
