Make your request when booking your flight. That will allow us to make the necessary arrangements to give you the best service.

If you wait until the last minute and make your request only after you arrive at the airport, it may not always be possible for us to provide for your personal requirements.

Please help us to serve you better.

Our duty-free shop is known for the bargains it offers. In fact, we are proud that our prices are among the lowest in Europe. However, this is not at the expense of quality - a very wide range of internationally-known brands of wines and spirits, cigarettes, cigars, pipe and cigarette-rolling tobacco, perfumes, toilet waters and watches is available at the Air Supplies duty-free shop.

All prices are in Maltese Liri (100 cents to one Maltese Lira), but we accept all major currencies and credit cards.

We also operate a unique system of pre-orders for duty-free goods. Your courier or tour operator will be pleased to provide all the necessary details; appointed agents are to be found in all tourist areas throughout the island. Please understand, however, that the choice of goods on our pre-order form is limited compared to products available at our shop.

We are open 24 hours a day, 365 days a year.

Whatever time of day or night you are travelling, our sales assistants will be waiting to meet your needs.

Air Supplies also offer a duty-free shop in the Arrivals Hall for use by passengers arriving in Malta. This is located after passport control and prior to customs inspection of baggage.
