NOW!

New Flagship Schedules

EVERY HOUR ON THE HOUR

between

BOSTON

AND

NEW YORK

American Airlines now provides 25 trips daily EACH WAY between Boston and New York. Convenient schedules for those who must travel include 17 departures daily, EVERY HOUR ON THE HOUR, from 7 a.m. through 11 p.m., from New York and from Boston—plus eight other flights each way at off-the-hour times.

Although we still do not have as many flights as before the war, departures are arranged to provide greatest convenience and maximum service possible for the many people who must travel.

WARTIME INTERNATIONAL TRAVEL REQUIREMENTS

YOUR TRIP TO MEXICO

Requirements for Most Passengers Traveling to Mexico are Simple

★

UNITED STATES CITIZENS TRAVELING TO MEXICO FOR PLEASURE

If you're plain "John Q" citizen of the United States, regardless of your place of birth, you'll be pleased by the few documentary requirements for a pleasure trip.

Here they are: Proof of Citizenship; Mexican Tourist Card

UNITED STATES CITIZENS TRAVELING TO MEXICO FOR BUSINESS

United States citizens going to Mexico for business need the following documents:

Draft Board Release if registrant under 38 years of age.

Valid United States Passport.

Mexican Visa.

Bond of 500 Mexican Pesos (U. S. $103.00).

OTHER TRAVELERS

All American Airlines' offices are prepared to advise passengers concerning documents necessary for their Mexico trips.

GENERAL INFORMATION ABOUT MEXICO

MEXICAN MONEY

The silver peso is the Mexican monetary unit. Although exchange rates are subject to the usual fluctuations, they are always favorable to U. S. Currency, the current rate of exchange being about 5 pesos for one dollar. The peso and the centavo correspond to our dollar and cent, but have less unit value. Paper money is issued in 1, 5, 10, 20, 50, 100, 500 and 1000 peso bills and fractional coins in 1, 2, 5, 10, 20 and 50 centavo pieces, as well as the well-known peso piece.

CLIMATE AND CLOTHING

It is a mistake to think of all Mexico as a hot country. The coastal lowlands are hot and tropical, but the greater part of the country you are likely to visit is high tableland, where the air is invigorating and, despite a brilliant sun, is not oppressively hot. Evenings are invariably cool above 5,000 feet, and you never sleep without blankets. The rainy season on the highlands is between June and September. During these months, the days are regularly clear and warm until late afternoon when magnificent thunderheads rise and bring a heavy downpour of short duration. About sunset the sky clears quickly, and the cool, washed air is full of fragrance. Nights remain cool. There is little change in temperature between this season and the winter, so take ordinary fall-weight clothing (sports wear is excellent) and a light water-resistant overcoat. You will, of course, need tropical weight clothing for the low country. We might remark in passing that dress tends towards informality, and formal dress is not often seen. Business may dictate more formality, and American type cabarets call for your best.

LANGUAGE

Spanish is the official language of Mexico, but English is widely spoken. It is not essential therefore to know Spanish, but it may sometimes prove useful, and most visitors take great delight in "trying" their Spanish, as the Mexicans delight in "trying" their English.

FOOD AND DRINK

You may be under the popular impression that all Mexican food is highly seasoned. This is not true, for although many "hot" foods are on the menu, you may not feel yourself limited to them. Naturally, some dishes are prepared in different fashion, but this should present no problem. Choose the best restaurants and hotel dining rooms. Prices in U. S. currency are surprisingly low.

Excellent wines and liquors are available, including many imported and familiar brands. The national drink is tequila, a clear liquor distilled from the juice of the maguey cactus plant, approximating vodka in strength.

PURCHASES IN MEXICO

Mexico has many beautiful and novel things which you will want to bring back as souvenirs. Mexican export duties, which are quite high on certain articles, will be collected when you go through customs at the airport in Mexico City or Monterrey. Some objects containing certain metals may not be taken from the country at all. We offer the services of the American Airlines offices in Mexico to you so that you may inquire about these duties and taxes and arrange for your purchases accordingly. Many people confuse the import duties of the United States with these export duties of Mexico. Please note that there is no connection; even though you are allowed certain exemptions for your return to the United States, Mexico's export duties may apply to your purchases there.

BAGGAGE

American Airlines permits you to carry 55 lbs. of luggage free on each ticket. Additional baggage may be carried, with certain restrictions, for a nominal additional charge. All baggage will be examined by the customs officers of both countries as you enter and leave each country. Personal articles intended for your use while traveling are admitted to Mexico free of duty. However, any merchandise for sale, gifts, samples, or anything being carried for other persons will be subject to duty. If you have a large amount of excess baggage, your American Airlines representative will be happy to make the necessary arrangements to forward it for you.

★

YOUR TRIP TO CANADA

United States citizens traveling to Canada should carry with them proof of their citizenship; otherwise, travel to Canada is as free and easy as in the United States. Canadian citizens visiting the United States for 29 days or less, will find their international documents correspondingly simple to arrange. American Airlines' personnel will be glad to advise other passengers in their preparation for a trip across the Canadian-United States Border.

American Airlines will carry 40 pounds of luggage free on each ticket to Canada on the same conditions applicable to travel within the United States.

GENERAL INTERNATIONAL INFORMATION

The foregoing is based on the best information available at this time; however, international regulations and schedules are subject to change without notice.

International passengers must possess all documents required by the laws of the countries from, into or over which they are to fly, and should any required documents be missing, passage may be denied by American Airlines, Inc.

EXPLANATION OF REFERENCE MARKS ON PAGE 13

GENERAL INFORMATION

AIR EXPRESS—All flights carry Air Express. Special door-to-door pickup and delivery afforded by Air Express Division of the Railway Express Agency, Inc., International Air Express Service to Monterrey and Mexico City.

AIRFREIGHT—For information regarding rates, pickup and delivery service, inquire at any American Airlines office.

AIR MAIL—All flights carry Air Mail.

BAGGAGE—Forty (40) pounds of baggage will be carried free on any domestic ticket. The term "baggage" shall mean all luggage including briefcases, portfolios, parcels, sleeper envelopes, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment. Excess baggage carried upon special arrangements and at the rate per pound of approximately one-half of one per cent of the published air passenger fare, subject to a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to the amount of One Hundred Dollars ($100.00) unless a higher valuation be declared and an additional charge paid therefor. Excess valuation limited to $2,500.00 on each full fare ticket. Fifty-five (55) pounds of baggage will be carried free on tickets of passengers to and from Mexico. Inquire of ticket agent for full details.

CAMERAS—Due to wartime restrictions, no cameras may be carried into the cabin of American Airlines' Airplanes.

CHILDREN—One child under two years of age, not occupying a seat, will be carried free with each accompanying passenger twelve years of age or over.

EQUIPMENT—All American Airlines' flights are operated with Douglas 21-passenger "Flagship Club" Airplanes, except flights 801, 802, 815 and 816 which are operated with Douglas Airfreighter equipment. Equipment is scheduled to operate through, as shown in the Tables.

FARES—All fares are shown herein for information purposes only, and are subject to correction and change without notice. Official tariffs are on file and open for public inspection at any American Airlines office.

FOUNTAIN PENS, LIQUIDS, ETC.—Due to changes in atmospheric pressure, fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to wrap pens and containers securely, when placed in handbags, to insure against damage to other articles.

GENERAL—The use of alcoholic beverages is not permitted on planes.

GROUND TRANSPORTATION — American Airlines has arranged ground transportation services at reasonable rates in all cities it serves. See Page 14. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten (10) minutes before plane departure time. Passengers must arrive at airports for International flights at least 30 minutes prior to scheduled departure.

INSURANCE—Trip insurance is available at all airline offices.

MEALS—All meals served aloft are complimentary.

PASSAGE CANCELLATION BY COMPANY—The Company reserves the right to cancel bookings before passage or enroute. Captain may remove passengers from plane at any point on the route for safety or other cause. In any event the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

PASSAGE CANCELLATION BY PASSENGER—The purchaser may receive a refund for unused transportation providing reservation is cancelled prior to departure.

REFUNDS—Requests for refunds should be addressed to the Assistant Treasurer, American Airlines, Inc., 100 East 42nd St., New York 17, N. Y.

RESERVATIONS—American Airlines welcomes advance reservations. Reservations for unticketed passengers will be held only for a reasonable time; if a passenger fails to purchase his ticket by the "time limit" agreed upon, the reservation will be cancelled and resold.

STEWARDESSES—Stewardess service on all American Airlines flights.

STOP-OVER—Stop-overs will be allowed at any regular stop, provided reservation is made accordingly.

TAXES—Any ticket taxes imposed by Governmental authority are in addition to transportation fare, and will be collected wherever effective.

TIME-TABLES—These time-tables show the time at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this publication without notice to the public.

UNSCHEDULED LANDINGS—The needs of the War Program require that the maximum amount of space be made available on all flights for the transportation of passengers and cargo. On certain flights it will, therefore, occasionally be necessary to make unscheduled landings at intermediate airports enroute for fuel.
