Note to American's AAdvantage® Members/Nota para los miembros del programa American AAdvantage®

The mileage in the following flight itineraries reflects the **actual** one-way flight mileage between the indicated city pairs. When more than one airport is listed for one city (i.e. Newark, Kennedy and LaGuardia for New York) and the mileage differs, the mileage indicated on the schedule pages is to the first airport shown. This mileage may or may not exactly match the number of miles credited to an AAdvantage member's account for the same trip.

For example, the AAdvantage Program Minimum Mileage Guarantee ensures AAdvantage members earn at least 500 miles for every American Airlines and American Eagle flight taken when an eligible, published fare ticket has been purchased.

En la siguiente lista de itinerarios de vuelo, el millaje representa el recorrido de una sola vía entre las dos ciudades indicadas. Cuando hay más de un aeropuerto en una ciudad (como en Nueva York, que cuenta con los aeropuertos de Newark, Kennedy y LaGuardia) y sus millajes varían, el millaje que se indica en las páginas del itinerario refleja el millaje del primer aeropuerto de la lista. Este millaje puede o no concondar exactamente con el número de millas que se le acrediten a su cuenta como miembro del programa AAdvantage por dicho viaje.

Por ejemplo, el programa Garantía de Millaje Mínimo de AAdvantage asegura que sus miembros ganarán al menos 500 millas por cada vuelo realizado con American Airlines y American Eagle, al adquirir un pasaje de tarifa normal publicada que sea elegible para el programa.

AAdvantage is a registered trademark of American Airlines, Inc. American Airlines reserves the right to change AAdvantage program rules, regulations, travel awards and special offers without notice, and to end the AAdvantage program with six months notice.

American Airlines is raising Coach comfort to a new level.

We're increasing seat pitch (the space between the back of your seat and the one in front of you) by removing rows of seats from the Coach cabins on every plane in our fleet. By this fall, our domestic fleet will be reconfigured; at which time reconfiguration of our international aircraft is scheduled to begin.

Departures Within The United States

For flight departures within the United States, we ask that you arrive at least 90 minutes before your flight's scheduled departure time.

- Go directly to your departure gate if you will not be checking luggage or have already checked it with a Skycap and are holding a ticket with a boarding pass or just need a boarding pass.
- If you do not have a ticket or need to check luggage go to the American Airlines ticket counter for assistance.

Your reservations as well as your seat assignment on your boarding pass will be held only until 15 minutes before your scheduled departure.

International Departures To/From Points Outside The United States

We recommend a minimum of 2 hours advance check-in for international flights to allow plenty of time for check-in and security clearance. International travelers must have a valid passport, and some countries may require a visa. Contact American Airlines, your Travel Agent or the Consulate of the country you are visiting for up-to-date information on travel documents required for your destination.

Please note that you must also present yourself at the International Gate at least 30 minutes before scheduled departure time in order to assure retaining your seat assignment and preventing removal of your luggage for security reasons.

Responsibility for Schedules and Operations

American will make every effort to carry you and your baggage with reasonable dispatch. Times shown in this timetable and elsewhere are published in local times and subject to change without notice. American may, without notice, substitute alternative carriers or aircraft and, if necessary, may alter or omit stopping places shown on ticket. American is not responsible or liable for failure to make connections or to operate any flight according to schedule, or for changing the schedule of any flight. Under no circumstances shall American be liable for any special or consequential damages.

Smoking/Non-Smoking Flights

Smoking will not be permitted on any American Airlines or American Eagle flights systemwide.

Salidas dentro de los Estados Unidos

Para salidas de vuelos dentro de los Estados Unidos, le rogamos que se presente por lo menos 90 minutos antes de la hora de salida programada del vuelo.

- Si no facturará equipaje o si ya lo ha facturado con personal de American Airlines y tiene su pasaje con la tarjeta de embarque, o si tan sólo necesita la tarjeta de embarque, acuda directamente a la puerta de embarque.
- Si no tiene pasaje o necesita embarcar su equipaje, preséntese en el mostrador de American Airlines.

Tanto su reserva como el número de asiento que le ha sido asignado se mantendrán sólo hasta 15 minutos antes de la hora programada de salida.

Salidas internacionales desde/hacia puntos fuera de los Estados Unidos

Recomendamos que se presente en el mostrador de American Airlines 2 horas antes del vuelo, como mínimo, para realizar la facturación y el control de seguridad. Los pasajeros internacionales deben contar con un pasaporte válido, y para ciertos países pueden necesitar además una visa. Póngase en contacto con American Airlines, su agente de viajes o el consulado del país que visitará, para obtener información actualizada sobre los documentos de viaje necesarios. Por favor recuerde que también tiene que presentarse en la Puerta Internacional por lo menos con 30 minutos de antelación a la hora de salida programada, para asegurar la retención de su asiento asignado, y para evitar que se extraiga su equipaje del avión por motivos de seguridad.

Responsabilidad sobre horarios y operaciones

American hará todos los esfuerzos para que usted y su equipaje lleguen a su destino en el horario previsto. Las horas indicadas en este horario y en otros lugares son horas locales y están sujetas a cambio sin previo aviso. American puede, sin dar aviso, sustituir transportistas o aviones, y en caso necesario, puede modificar u omitir escalas en lugares que aparecen en el pasaje. American no se hace responsable por la pérdida de conexiones, retrasos, o cambios en el horario de un vuelo. Bajo ninguna circunstancia American será responsable por ningún perjuicio consiguiente.

Vuelos en los que se permit efumar/Vuelos en los que no se permite fumar

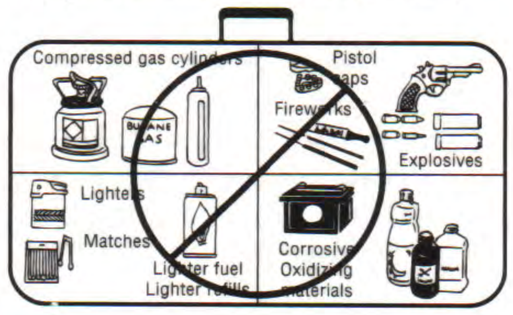
No se permitirá fumar en ninguna de las rutas de vuelo de American Airlines o American Eagle.

Conditions of Carriage

Air transportation between points in the U.S. (including its overseas territories and possessions) is subject to the individual terms of the transporting air carrier. Foreign air transportation is governed by tariffs on file with applicable government authorities. The full text of American's Conditions of Carriage may be inspected at any American Airlines ticket office.

Hazardous Materials/Firearms

Many common items used every day in the home or workplace may seem harmless; however, when transported by air, they can be very dangerous. In flight, variations in temperature and pressure can cause items to leak, generate toxic fumes, or start a fire.



NO Household Items Bleaches, drain cleaners and solvents contain dangerous chemicals which can cause toxic fumes and corrosion.

NO Flammable Liquids Fuel, paints, solvents, adhesives, alcoholic beverages greater than or equal to 70% by volume (140 proof), and flammable gases such as lighter refills and camping gas might leak and cause a fire.

NO Fireworks Signal flares and other explosives might detonate because of their sensitive nature.

NO Other Hazardous Materials Strike-anywhere matches, gasoline-powered tools, spray cans, self-inflating rafts, wet-cell batteries, poisons, infectious substances, mace and pepper spray.

REMEMBER: This list is not all-inclusive. Carrying dangerous goods aboard an aircraft violates U.S. Federal Law. Violators may be subject to five years' imprisonment and penalties of $250,000 or more (49 U.S.C. 5124). Consult your American Airlines/American Eagle agent for further details.

Condiciones de transporte

El transporte aéreo entre puntos en los Estados Unidos (incluyendo sus territorios y posesiones de ultramar) está sujeto a los términos individuales del transportista aéreo. El transporte aéreo en el extranjero se rige por las tarifas aprobadas por las autoridades gubernamentales competentes. El texto completo de las condiciones de transporte de American puede ser inspeccionado en cualquier oficina de venta de pasajes de American Airlines.

Materiales peligrosos/ Armas de fuego

Muchos artículos que por lo general se utilizan a diario en el hogar o en el trabajo pueden parecer inofensivos. Sin embargo, cuando se transportan en un avión, pueden ser muy peligrosos. Durante el vuelo, las variaciones de temperatura y presión pueden provocarles escapes, generar gases tóxicos o iniciar un incendio.

NO transporte artículos de uso doméstico. Los blanqueadores, limpiadores de desagües y disolventes contienen sustancias químicas peligrosas que pueden provocar gases tóxicos y corrosión.

NO transporte líquidos inflamables. Los combustibles, pinturas, disolventes, adhesivos y bebidas alcohólicas con un porcentaje de alcohol igual o superior al 70% por volumen (graduación de 140), así como gases inflamables tales como repuestos para encendedores y gases utilizados en campismo pudieran tener escapes y ocasionar un incendio.

NO transporte fuegos artificiales. Las bengalas para hacer señales y otros explosivos pueden explotar debido a su sensible naturaleza.

NO transporte otros materiales peligrosos. Fósforos en general, herramientas que funcionan con gasolina, latas de aerosol, balsas autoinflables, baterías de celdas húmedas, venenos, sustancias infecciosas, aerosoles lacrimógenos de defensa personal.

RECUERDE: Ésta es sólo una lista parcial. Transportar objetos peligrosos en un avión es una violación a las leyes federales de los EE. UU. Los infractores pueden estar sujetos a condenas de cinco años de privación de libertad y multas de US$ 250.000 dólares o más (49 U.S.C. 5124). Para obtener más información consulte a su agente de American Airlines y American Eagle.

U.S. Domestic Free Baggage Allowance

Combined Baggage Allowance: Checked and Carry-On

3 pieces checked and no carry-on OR
2 pieces checked and one carry-on OR
1 piece checked and 2 carry-ons

Size/Weight Allowance

Checked baggage is limited to: 2 bags at 62 in/157 cm each and 1 bag at 45 in/114 cm. The maximum weight is 70 lbs/32 kgs per bag. The size is calculated by adding the total outside dimensions of each bag (length + width + height).

Carry-On Baggage Allowance

Customers will be limited to two carry-on items in the main cabin and three carry-on items in first/business class within the free baggage allowance. Laptop computers, garment bags or briefcases are considered one of the allowed pieces. Bags must fit in an overhead compartment or under the seat and should not exceed total dimensions of 45 in/114 cm and a 40 lbs/18 kgs maximum weight. For example, a typical carry-on bag could measure 9" x 23" x 13". Carry-on items which appear too large or irregularly shaped to fit under a seat, in an overhead compartment, or in a closet or luggage rack, will not be accepted for passenger cabin stowage. At times, additional limits may be placed on carry-on baggage based on the main cabin stowage capacity of specific aircraft. These limits may be imposed after the boarding process has begun. Some carry-on baggage may be stowed in a cargo compartment on selected American Eagle aircraft.

Free baggage allowance varies for international destinations, so please contact American Airlines for specifics.

Baggage Liability

Liability for loss, delay or damage to baggage will be limited as indicated below, unless a higher valuation for checked baggage has been declared and additional charges paid at check-in. Excess valuation may not be declared on certain types of articles and pertains to loss claims only.

- Fragile, valuable or perishable items
- Previously damaged baggage
- Oversized, overweight or overpacked baggage
- Damage or loss of protruding baggage parts such as wheels, straps, pockets, pull handles, hanger hooks or other items attached to baggage

- No liability for photographic equipment, computers, VCRs and any other electronic equipment including software or components, jewelry, cash, documents, furs, works of art or other similar valuable items.

International – For most international travel (including U.S. domestic portions of international journeys):

- Liability is for a maximum of 70 lbs. ($634.90) per checked bag. (This limit may be lowered for additional pieces to certain international destinations or when using connecting carriers.)

Claims and Refunds

If your bag is lost, delayed or damaged, you should notify American Airlines before leaving the airport. **This notification must take place within 24 hours after the arrival of the flight on which the bag was checked.** However, customers on an international journey, including any U.S. domestic portion of that journey, have up to

- 21 days from arrival of bag or customer to report a loss or delay claim provided this report is in writing
- 7 days from the date customers receive baggage to report a damage claim provided this report is in writing

Any legal action premised on or related to the incident must be commenced within one year of the date of the incident.
