STRETCH YOUR VACATION

Get there quickly Have more time for fun

Can you remember vacations that began—and ended—with tedious journeys that took too long? Have you felt cheated—as if your well-deserved "two weeks" had amounted to only 10 days, net—4 days discount for travel?

This year you can escape all such time-wasting. Whether you are going 100 miles or 2000, American's Flagships can take you there—like *that!*

Your vacation starts the minute you step aboard. Air travel under the attentive eye of an American Stewardess is a mighty restful way of going. If you haven't flown before there are some special treats in store: The new kind of scenery you see from above; the discovery that there is no sensation of height in your eagle's-eye view; and the fun of eating a delicious meal above the clouds.

You'll find American's rates comparable with any other first-class mode of transportation. New half-fare privilege for children makes it surprisingly inexpensive to take the whole family by air.

This year, get the most out of your vacation . . . GO AMERICAN!

The FLAGSHIP FLEET *stands ready* . . . . . where would you like to go?

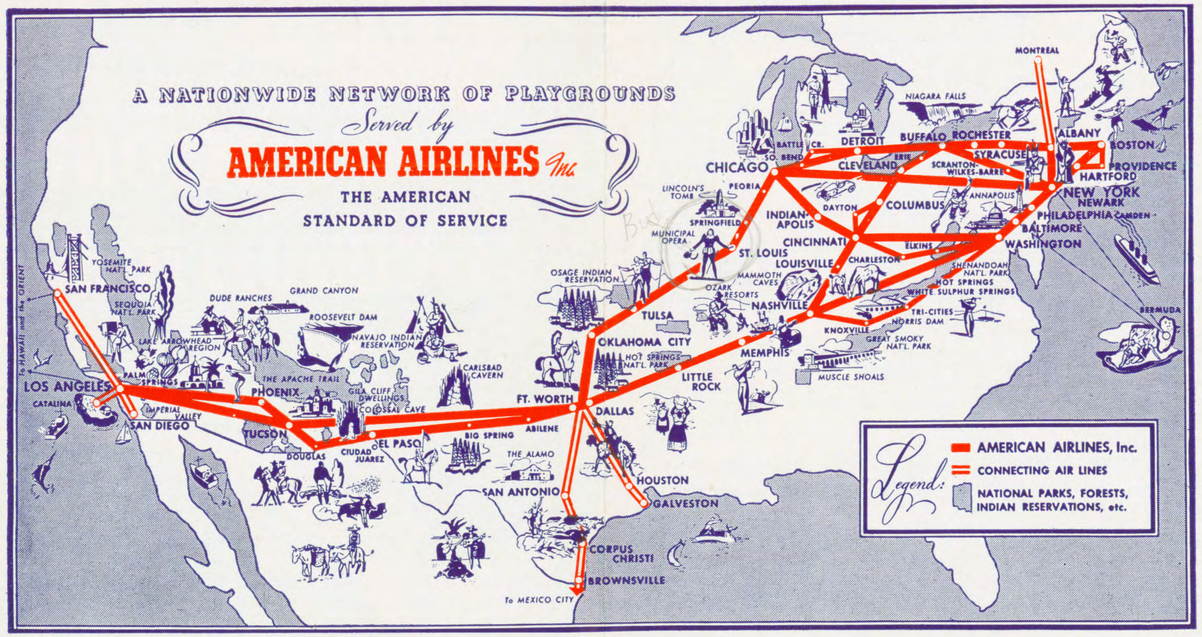
GENERAL INFORMATION

AND COMPLETE SYSTEM MAP



ANIMALS—Pets will be accepted as excess baggage under certain conditions. Consult AMA agent.

BAGGAGE—Thirty-five (35) pounds of baggage will be carried free on any ticket. Excess baggage carried upon special arrangements and shall be at the rate per pound of one-half of one per cent of the published air passenger fare, with a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to the amount of One Hundred Dollars ($100.00) unless a higher valuation be declared and an additional charge paid therefor. Excess valuation limited to $1000.00 on each full fare ticket.
From 35 to 55 pounds of baggage will be carried free on tickets of passengers destined to Mexico, Central and South America using Pan American Airways. Inquire of ticket agent for full details.
On tickets of transoceanic passengers 50 pounds of baggage will be carried free, or 35 pounds will be carried by plane and 100 additional pounds transported by rail express.

CHILDREN—Children two years of age and under twelve will be charged one-half the published one-way and round-trip fares over the lines of American Airlines and certain connecting carriers. Children traveling at half fare will be entitled to adult baggage allowances and will be required to pay adult excess baggage and sleeper charges. Children under two years of age and carried in the arms of parent or guardian will be carried free.

FOUNTAIN PENS—Due to changes in atmospheric pressure when higher altitudes are reached many fountain pens have a tendency to leak when the plane climbs above 8,000 feet. Usually all that is necessary is to screw the cap on tightly. However, some of the older model pens leak so badly that it is best to wrap them to avoid damage to clothes or contents of hand bags.

GENERAL—The use of alcoholic beverages is not permitted on planes of American Airlines.

INSURANCE—Trip insurance is available at all airports.

PASSAGE, CANCELLATION BY COMPANY—The Company reserves the right to cancel bookings before passage or en route. Pilot may remove passengers from plane at any point on the route for safety or other cause. In all events the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

PASSAGE, CANCELLATION BY PASSENGER—The purchaser may receive a refund for passage if canceled two hours prior to flight.

REFUNDS—Requests for refunds on tickets should be addressed to the Auditor of Ticket Accounts, American Airlines, Inc., 4848 West Sixty-Third St., Chicago, Ill.

RESERVATIONS—All space is reserved, though no definite seat assignments are made. Reservations will not be made except upon payment of fare. The sale of any seat is necessarily subject to company regulations for the control of space which in certain instances restrict the release of portions of through seats.

ROUND TRIP FARES—10% reduction on all round-trip tickets if purchased before start of original trip. Return trip must be started within sixty days.

STOP-OVER—Ten (10) day stop-over will be allowed at any regular stop, provided reservation is made accordingly.

TIME-TABLES—These time-tables show the times at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this folder without notice to the public.

DON'T WORRY ABOUT BAGGAGE

American Airlines carries 35 pounds of luggage free on your ticket. For a man—or a woman—this means sufficient clothing for 4 to 7 days. The average bag weighs only 5 to 8 pounds, carries 27 to 30 pounds of clothing and accessories.

If you have extra trunks and cases, we will take care of shipping them for you in advance by rail express. Simply give us your instructions and pay us the regular Railway Express charges—we do the rest!
