DELIVERY AT THE SPEED OF FLIGHT

DON'T BE A NO-SHOW.

An unexpected delay? A change of plans? Whatever the reason you're unable to use your airline reservation, please let us know. The no-show factor approaches 25% on our peak period flights! Please help us reduce it, so we can accommodate the travel needs of others.

PASSENGER INFORMATION

Reconfirmation - Please reconfirm your reservations after a stopover of more than twelve hours. Reconfirmation is necessary at least six hours before departure in order to assure your reservations. If you originally booked your reservation with another carrier and do not claim your reservation with Air Midwest and have continuing transportation, the remainder of your reservation will be cancelled.

Check In Time For Flights - Due to the increase of passengers in air travel, Air Midwest requires all passengers to meet the check in time limit of 20 minutes before scheduled departure at the ticket lift point. Unticketed passengers must check in at the ticket counter 30 minutes prior to scheduled departure. Failure to comply with these rules will result in the cancellation of the passenger's reservation and will render the passenger ineligible for denied boarding compensation.

Military - Military leave reservation fares, which are approximately 75% of the Y class fare, permit reservations on all flights. These fares are available to military personnel of U.S.A. on official leave travelling at their own expense.

Baggage Information - Passengers traveling wholly within the United States (excluding Alaska), and Canada are permitted to carry three bags which do not exceed the following sizes (add greatest outside lengths plus greatest outside height):

1st bag	62 inches
2nd bag	55 inches
3rd bag	37 inches

The third bag may be checked for carriage in the baggage compartment or retained in the passenger's custody for carriage onboard, provided it is capable of being stored under a passenger's seat. Baggage in excess of this number is charged $7.00 per bag. Dogs, cats and birds are charged on a per kennel basis of $18.00 per kennel regardless of other baggage carried by the passenger.

Air Midwest will not accept for carriage as baggage any bag the total dimensions of which exceeds 80 inches or which weighs more than 70 pounds. Baggage exceeding these dimensions will be carried as air freight and charged as such.

It is required that passenger identification including name and home address be attached to the outside of all checked baggage. It is recommended that identification also be attached to unchecked baggage. Baggage labels for this purpose are available at all Air Midwest offices.

Baggage Liability - Airline liability for the loss or damage to baggage and or personal property is limited to its actual value, but not more than $750 per passenger on domestic trips unless a higher valuation is declared and paid for prior to the departure of the flight.

On trips wholly within the United States, preliminary notice of loss or delay must be submitted in writing four hours after arrival of the flight and claims for loss or damage must be submitted in writing within 45 days from date of travel.

Airlines are not liable for damage to or breakage of fragile articles or liquid packed in baggage or any damage resulting therefrom.

Schedules, Fares and Responsibility - All schedules shown herein are for information only. Air Midwest reserves the right to cancel or change schedules without notice. Safety is our primary consideration. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be absolutely guaranteed.

Fares are based upon Air Midwest Tariffs on file with the Civil Aeronautics Board and applicable government authorities. All transportation is sold subject to these tariffs, copies of which are open to public inspection at any Air Midwest office.
