GENERAL INFORMATION

ANIMALS—Pets will be accepted as excess baggage under certain conditions. Consult American Airlines agent.

BAGGAGE—Forty (40) pounds of baggage will be carried free on any ticket. The term "baggage" shall mean all luggage including briefcases, portfolios, parcels, sleeper envelopes, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment. Excess baggage carried upon special arrangements and at the rate per pound of one-half of one per cent of the air passenger fare, with a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to the amount of One Hundred Dollars ($100.00) unless a higher valuation is declared and an additional charge paid therefor. Excess valuation limited to $1000.00 on each full fare ticket.
From 44 to 55 pounds of baggage will be carried free on tickets of passengers destined to Mexico, Central and South America using Pan American Airways. Inquire of ticket agent for full details.
On tickets of transoceanic passengers 55 pounds of baggage will be carried free by plane, or 40 pounds will be carried by plane and 100 additional pounds transported by rail express at the Company's expense.

CHILDREN—Children two years of age and under twelve will be charged one-half the published one-way and round-trip fares over the lines of American Airlines. Children traveling at half fare will be entitled to adult baggage allowances and will be required to pay adult excess baggage and sleeper charges. Children under two years of age and carried in the arms of parent or guardian will be carried free.

EQUIPMENT—All American Airlines flights are operated with Douglas equipment. The following terms are employed to explain the type Douglas used: Flagships or Flagship Club Planes—Douglas DC-3, 21 passenger planes; Skysleepers or Flagship Skysleepers—Douglas DST, 14 passenger sleeper planes; Douglas—Douglas DC-2, 14 passenger planes.

FOUNTAIN PENS, LIQUIDS, ETC.—Due to changes in atmospheric pressure fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to securely wrap pens and containers, in handbags and luggage, to insure against damage to other articles.

GENERAL—The use of alcoholic beverages is not permitted on planes.

GROUND TRANSPORTATION—American Airlines has arranged ground transportation services at reasonable rates in all cities it serves. See Page 2. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten (10) minutes before plane departure time.

INSURANCE—Trip insurance is available at all airline offices.

PASSAGE, CANCELLATION BY COMPANY—The Company reserves the right to cancel bookings before passage or enroute. Captain may remove passengers from plane at any point on the route for safety or other cause. In all events the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled

PASSAGE, CANCELLATION BY PASSENGER—The purchaser may receive a refund for passage if canceled two hours prior to flight.

REFUNDS—Requests for refunds should be addressed to General Auditor, American Airlines, Inc., N. Y. Municipal Airport, Jackson Heights, L. I., N. Y.

RESERVATIONS—All space is reserved, though no definite seat assignments are made. Reservations will not be made except upon payment of fare. The sale of any seat is necessarily subject to Company regulations for the control of space which in certain instances restrict the release of portions of through seats. Reservations will not be made for local passengers between New York and Newark. Local passengers will be accepted subject to space being available at departure time.

ROUND TRIP FARES—10% reduction on all round-trip tickets if purchased before start of original trip. Return trip must be started within ninety days.

STEWARDESSES—Stewardesses are aboard all American Airlines flights.

STOP-OVER—Stop-overs will be allowed at any regular stop, provided reservation is made accordingly.

TIME TABLES—These time-tables show the times at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time shown in this folder without notice to the public.
