ROUTE OF THE FLAGSHIPS

HUNDREDS of American Airlines passengers arrive and depart daily on 104 American Flagship flights between New York City and the principal cities of the nation.

These passengers enjoy the most modern and convenient terminal facilities of any system of transportation in the world. Pictured here is the ultra-modern Airlines Terminal just opened in the heart of Manhattan which accommodates American Airlines passengers and those of five other air lines. It is the world's first "Union Station" of the air.

GENERAL INFORMATION

ANIMALS—Pets will be accepted as excess baggage under certain conditions. Consult American Airlines agent.

AIR EXPRESS—All flights carry Air Express. Special door-to-door pick-up and delivery afforded by Air Express Division of the Railway Express Agency, Inc.

BAGGAGE—Forty (40) pounds of baggage will be carried free on any ticket. The term "baggage" shall mean all luggage including briefcases, portfolios, parcels, sleeper envelopes, camera equipment and similar articles whether carried in the cabin or checked in cargo compartment. Excess baggage carried upon special arrangements and at the rate per pound of one-half of one per cent of the air passenger fare, with a minimum charge of twenty-five cents, and the liability of the Carrier for loss of or damage to baggage and/or personal property is limited to theamount of One Hundred Dollars ($100.00) unless a higher valuation be declared and an additional charge paid therefor. Excess valuation limited to $2500.00 on each full fare ticket.
From 44 to 55 pounds of baggage will be carried free on tickets of passengers destined to Mexico, Central and South America using Pan American Airways. Inquire of ticket agent for full details.
On tickets of transoceanic passengers 55 pounds of baggage will be carried free by plane, or 40 pounds will be carried by plane and 100 additional pounds transported by rail express at the Company's expense.

CHILDREN—Children two years of age and under twelve will be charged one-half the published one-way and round-trip fares over the lines of American Airlines. Children traveling at half fare will be entitled to adult baggage allowances and will be required to pay adult excess baggage and sleeper charges. A child under two years of age and carried in the arms of parent or guardian will be carried free.

EQUIPMENT—All American Airlines flights are operated with Douglas equipment. The following terms are employed to explain the type Douglas used: Flagships or Falgship Club Planes—Douglas DC-3, 21 passenger planes; Skysleepers or Flagship Skysleepers—Douglas DST, 14 passenger sleeper planes; Douglas—Douglas DC-2, 14 passenger planes.

FOUNTAIN PENS, LIQUIDS, ETC.—Due to changes in atmospheric pressure fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to securely wrap pens and containers, in handbags and luggage, to insure against damage to other articles.

GENERAL—The use of alcoholic beverages is not permitted on planes.

GROUND TRANSPORTATION—American Airlines has arranged ground transportation services at reasonable rates in all cities it serves. See Page 11.
