Capital

It doesn't cost more . . . . . It saves more ! !

Many buyers and shippers fail to realize that Airfreight is no longer a luxury service . . . that day-in and day-out, we are moving thousands of pounds of regular shipments . . . because Airfreight rates are now comparable to surface shipping costs. Effective August 1st, Capital's rates will be further reduced 25 percent. Now, more than ever before, the advantages of air shipping . . . reduced inventories, elimination of "dated" stocks, fewer mark-downs and elimination of warehousing . . . means Capital Airfreight saves you money. Call any Capital Airlines office and let one of our cargo specialists explain how Airfreight can be used to your advantage.
