AIRSURANCE — The Ideal Employee-Group Insurance

EXAMPLE — $25,000.00 year-round insurance for your employees only $27.50

Every employer has a moral and financial responsibility to those who fly his business. The AIRSURANCE Employee-Group Plan offers a release from this burden of responsibility and it costs so little — only $1.10 a $1000.00 per year — and only half this cost for employees added during the last half of the policy year.

If you are an employer of men who fly, or one of the employed, it will pay you to investigate this year-round air insurance protection.
