RESERVATIONS—All reservations must be made in advance. Reservation phone numbers and office locations are listed in this folder. For information and reservations call the nearest Continental office or consult an authorized Travel Agent.

TICKETS—Tickets are valid for a period of 12 months after date of issuance. Stopovers will be allowed at any regular stop on first class fares, provided reservation is made accordingly, and provided such stopover is not specifically prohibited. Stopovers on coach fares will be permitted upon payment of a combination of coach fares over the stopover point. At most cities tickets must be obtained in advance. A ticket pickup time limit will be established at the time reservations are made, and the tickets must be picked up by this time in order to continue to hold the reservation.

RECONFIRMATION—When you travel to another city by air or any other means and will remain in that city for twelve hours or more, it is necessary that you reconfirm your continuing or return airline reservation at least six hours prior to the departure of your flight from that city. Failure to reconfirm will result in the cancellation of the complete remaining itinerary. To reconfirm, simply notify the airline at the city where you will board your continuing or return flight of your intention to use the reservation you hold. Do this as early as possible after arrival, but not less than six hours before your scheduled departure.

GROUND TRANSPORTATION—Ground transportation service is available at reasonable rates in all cities served.

FARES—All fares quoted are from airport to airport. Fares shown are for information only and are subject to change without notice. Official Continental Air Lines fares and official rules and regulations governing passage are published in the Airlines Local and Joint Passenger Tariff.

ROUND TRIP AND CIRCLE TRIP DISCOUNTS—When a round trip or circle trip first class ticket is purchased in advance a 5% discount may be secured on the entire ticket. No discount on family plan or coach tickets.

FAMILY FARES—On flights which are scheduled to depart between 12:01 P.M. Monday, and 12:01 P.M. Thursday, your spouse and/or children under 22 may travel with you at half fare! Family Fare discounts do not apply on coach fares.

CHILDREN—Children under twelve years of age accompanied by a passenger at least twelve years of age will be charged one-half the adult fare, except that one child under two years of age not occupying a seat, will be carried free with each accompanying full fare passenger twelve years of age or over. Children under five years of age will not be accepted for transportation unless accompanied by a passenger at least twelve years of age. Unaccompanied children five through eleven will be accepted for transportation, subject to payment of the full adult fare, and provided that the transportation involves no change of plane and that the children be delivered and met at origin and destination airports by a responsible adult.

CHECK-IN FOR FLIGHTS—You and your fellow passengers expect on-time performance. To maintain our enviable on-time record for you, please check in at the airport ticket counter no less than 10 minutes before scheduled departure time. Help us keep your flight on time—please check in early.

TRIP INSURANCE—Trip insurance, at low rates, may be purchased at all air line offices.

AIR CARGO—All Continental flights carry Air Mail, Air Parcel Post, Air Express and Air Freight.

BAGGAGE AND PERSONAL PROPERTY—40 pounds carried free on each ticket (baggage includes not only suitcase but also briefcases and packages). Charge for excess weight is ½ of 1% of the first class adult one way fare per pound of excess, with a minimum total charge of 25 cents. Liability for personal property including baggage shall not exceed $250 per passenger unless a higher valuation has been declared and paid for at the rate of ten cents for each $100 or fraction thereof. Claims should be filed within 45 days.

MEAL SERVICE—Complimentary meals and snacks served on first class flights as indicated in timetables. Passengers desiring meals on Club Coach flights must select meal when reservation is made, and purchase meal ticket before departure.
