*Under codeshare agreements, Delta purchases seats on a partner air carrier that are resold as Delta seats. These agreements are referred to as "codesharing" since seats on one aircraft are being sold by two airlines, with each carrier placing its own two-letter airline "code" (e.g., "DL") on the flight in the airline schedules and computer systems used by travel agents.

When making reservations involving a codeshare flight not operated by Delta, the reservationist will advise you that another airline is operating the flight. Delta timetables and delta.com denote the same information.

Routes, partners and associated carriers are subject to change without notice. Mileage restrictions may apply for the accrual and redemption of SkyMiles.

* Virgin Atlantic Airways' participation in SkyMiles is for mileage accrual only.
