BRIDGE THE NATION TO THE GOLDEN GATE....

By Flagship

From Fisherman's Wharf to the Top of the Mark, San Francisco is a tourist's wonderland of changing scene and unending interest. Here in this city built on hills, you will find all that stamps a city truly "cosmopolitan" — great mansions built in the golden days of the last century, fine clubs and restaurants of the present, the splash of color and oriental flavor of San Francisco's famed Chinatown, all this and more. And whether you have a weekend to play or a two weeks stay, the Route of the Flagships is the high road to the West. Inquire about circle trips . . . you can visit both San Francisco and Los Angeles at the same low fare from the East.

And Now...

INTERNATIONAL AIR PARCEL POST

Here is a brand new Post Office Department service designed to speed delivery of package shipments to foreign lands. Packages move by air wherever possible, not alone across the ocean but on the domestic part of the haul at each end as well. The rates to the 23 foreign countries which have this service vary slightly with the country of destination. But, unlike domestic parcel post service, the inexpensive international rates are standard and do not vary with the point of origin in this country, no matter where you are located.

CHILDREN — One child under two years of age, not occupying a seat, will be carried with each accompanying passenger twelve years of age or over:
To Mexico and Canada free of charge.
To Europe and/or return, 10% of one way or round trip adult fare applicable from or to Boston, regardless of point of origin or destination in the United States. CURRENCY RESTRICTIONS — Passengers to countries other than Canada or Mexico should not carry United States currency in denominations larger than $50.00 bills. Many European and Latin American countries prohibit the importation of more than $50.00 or equivalent in any currency. It is strongly recommended that all funds of international travelers be converted into Travelers checks, bank drafts, letter of credit, or other similar financial paper.

CUSTOMS DUTIES ON BAGGAGE — Baggage of International travelers will be examined by customs officers of each country on arrival. Used personal articles intended for use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.

Residents of the United States are permitted to bring back, duty free, $100.00 in merchandise acquired outside United States, provided the traveler has been away from United States more than 48 hours (except to Mexico where no minimum is prescribed) and further provided that this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family.

RESERVATIONS — Reservations requests must include the following information:
1. Passenger's name.
2. Citizenship.

TAXES — Mexican transportation tax, varying from $.46 to $2.72 depending on value of ticket, will be assessed at time return reservations are checked.

Call or visit any American Airlines office or authorized travel agent for further details concerning the above information.
