Except as otherwise provided above, children under twelve will be charged one half of the applicable adult fare.

CURRENCY RESTRICTIONS — Passengers to countries other than Canada or Mexico should not carry United States currency in denominations larger than $50.00 bills. Many European and Latin American countries prohibit the importation of more than $50.00 or equivalent in any currency. It is strongly recommended that all funds of international travelers be converted into Travelers checks, bank drafts, letter of credit, or other similar financial paper.

CUSTOMS DUTIES ON BAGGAGE — Baggage of International travelers will be examined by customs officers of each country on arrival. Used personal articles intended for personal use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.

Residents of the United States are permitted to bring back, duty free, $200.00 in merchandise acquired outside United States, provided the traveler has been away from United States more than 48 hours (except to Mexico where no minimum time is prescribed) and further provided that this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $300.00 worth **additional** allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.

Important—Passengers wishing to claim exemption of merchandise not moving on the same plane with them should declare such merchandise on the baggage declaration. If such unaccompanied baggage is to move in a single shipment to the passenger from a foreign country, the baggage declaration should be filled out in duplicate, and the duplicate copy retained after Customs' certification for subsequent entry of the unaccompanied baggage. In all other cases, only one copy of the declaration should be prepared. This applies to all unaccompanied baggage whether following by later plane or moving by surface transportation.

WINES AND LIQUORS—Residents of the United States may bring in one gallon of wine or liquor free of U. S. Customs duties. However, liquor or wine brought in by passengers is subject to limitations specified by their State of residence, which in many cases will be less than the U. S. Customs allowance. Non-residents are limited to one quart free of duty. As distinguished from U. S. Customs duties, the State of Texas imposes a tax on all liquor brought into the State from outside the U. S. by all passengers, except those going through Texas on the same flight. Persons terminating their journey in Texas are restricted to one quart of wine or liquor, and that amount will be taxed. Liquor possessed by passengers who are not residents of Texas but who are making a brief stopover in Texas, is also taxable. The tax amounts to about 30c per gallon on wine, and 36c per quart or $1.44 per gallon on liquor. Miniature bottles are taxable at 9c each, regardless of quantity of contents, for passengers in transit, and are prohibited for passengers destined to Texas.

TAXES — Mexican transportation tax, varying from $.46 to $2.72 depending on value of ticket, will be assessed at time return reservations are checked.

Call or visit any American Airlines office or authorized travel agent for further details concerning the above information.
Rules summarized above are subject to those published in tariffs filed with applicable governmental authority.
