IT'S FIESTA FARE SEASON IN

You Save when you Fly • Save when you Get There

American Airlines Fiesta Fare Season brings you drastically reduced fares — a full 50% off the regular return trip ticket. Plus this, many all-expense tours also have been reduced during this period . . . some as much as 15%. You can go any time the Fiesta Fares apply — from March 15 through May 31. A generous 15-day limit is provided. Ask for details and complete tour literature.

GENERAL INFORMATION

AIR TAXI SERVICE—This service is available at many airports to off-line points at reasonable rates. Companies operating this service are members of the National Air Taxi Conference. Call any American Airlines office for information.

BAGGAGE—Following rules apply:

Free Allowance within the United States and Canada, 40 pounds; Mexico 66 pounds. Children transported free of charge receive no free baggage allowance.

Excess baggage may be accepted, space and weight permitting at the rate of ½ of one per cent of the applicable one-way adult fare per pound. International baggage excess is computed at the same rate for the first 22 lbs. of excess then ¼ of 1% for over 22 lbs.

Liability of Carrier limited to $100.00 unless a higher valuation is declared and an additional charge paid therefor in advance. Total valuation is limited to $25,000.00 on each full fare ticket for which a fare is paid except as otherwise provided in applicable tariffs.

Pets—(tame animals) will be carried subject to a weight limitation of 45 pounds including the weight of a suitable container, as excess baggage at owner's risk and subject to tariff regulations.

NOTE: Acids, matches, lighter fluid, liquids and other hazardous articles must not be packed in your baggage. Fragile and perishable artieles are carried at the risk of the passenger.

CANCELLATION BY COMPANY—The company reserves the right to cancel continuing and/or return airline space if passenger fails to use the flight on which passage was arranged to the connecting or return city without first notifying the Company of his desired disposition of such continuing, connecting or return space.

The company reserves the right to cancel bookings before passage or enroute whenever such action is deemed advisable or necessary.

Captain may remove passenger from plane at any point on the route for safety or other cause. In any event, the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untravelled.

CANCELLATION BY PASSENGER—The purchaser may receive a refund for unused transportation providing reservation is cancelled prior to departure, except DC-6 Airtourist service flights, when it is necessary that such ticket be presented prior to departure, in order to avoid penalty charge.

DEPARTURES—In the interest of improving on-time service to all passengers, persons are requested to be at airport ticket lifting points approximately fifteen minutes before published departure time, and may be refused passage if they arrive less than five minutes before departure time, when accommodating them may delay departures.

INSURANCE—Trip insurance is available at all airlines offices.

INTERNATIONAL TRAVEL—The following documents are required by U. S. citizens proceeding direct to country of destination:

To Canada: Proof of U. S. citizenship.

To Mexico: For Pleasure Trips—(1) Proof of U. S. citizenship and (2) Mexican Tourist Card — from any Mexican Tourist Bureau or Mexican Consulate. For Other Trips — see American Airlines Mexico folder, or contact any American Airlines office.

To any other country: Contact any American Airlines office or your Travel Agent.

Smallpox Vaccination Certificate not more than 3 years old is required of passengers entering the U. S. from Mexico and must show the specific type of reaction.

The above documentary requirements are given for information only and are subject to change without notice.

Passengers on international flights must possess all documents required by the laws of the countries from, into or over which they are to fly and should any required documents be missing, passage may be denied. American Airlines will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their journey.

Baggage of International travelers will be examined by customs officers of each country on arrival. Used personal articles intended for personal use while traveling are generally admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.

Residents of the United States are permitted to bring back, duty free, $200 in merchandise acquired outside United States, provided the traveler has been away from the United States more than 48 hours (except to Mexico where no minimum time is prescribed) and this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $200 additional allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.

For more detailed information on travel documents and baggage restrictions for international travelers, see American Airlines Mexico folder, or contact an American Airlines office or your travel agent.

MEALS—Served on standard flights as indicated in timetables. Reasonably priced box lunches are available on DC-6 Airtourist service flights, if desired, at ground stations enroute.

REFUNDS—Requests for refunds on tickets issued on American Airlines should be addressed to: Director—Revenue Accounting, American Airlines Inc., 910 South Boston, Tulsa, Oklahoma.

RESERVATIONS—Advance requests for space are desirable, and reservations are tentative until tickets have been purchased. If a passenger fails to purchase his ticket by the "time limit" agreed upon, the reservation will be cancelled and resold.

SCHEDULES—Schedules shown are expected departures and arrivals, subject to change without notice, and are not guaranteed.

STOP-OVER—Stop-overs will be allowed at any regular stop, provided reservation is made accordingly. Stop-over privileges are also permissible on the DC-6 Airtourist service, however, subject to an increased fare.

Call or visit any American Airlines office or authorized travel agent for further details concerning the above information. Rules summarized above are excerpted from those published in tariffs filed with applicable governmental authority, and these tariffs are open for public inspection.
