Liability and insurance is subject to the following limits:
Within United States, Canada and Mexico the liability of the Carrier is limited to $100.00 unless a higher valuation is declared and an additional charge paid therefor. Total valuation is limited to $2,500 on each full fare ticket.
On the Transatlantic route the liability of the Carrier is limited to $100.00 unless a higher valuation is declared and paid for at the rate of 15 cents per $100.00 or fraction thereof. Total valuation is limited to $5,000.00 unless special arrangements are made in advance of the flight.

CANCELLATION BY COMPANY — The company reserves the right to cancel bookings before passage or en route. Captain may remove passengers from plane at any point on the route for safety or other cause. In any event the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

CANCELLATION BY PASSENGER — The purchaser may receive a refund for unused transportation providing reservation is cancelled prior to departure.

CHECK-IN AT PORT OF EMBARKATION — Passengers must arrive sufficiently in advance of the scheduled departure of aircraft to permit checking of their baggage and the completion of governmental and other formalities. Flights will not be delayed for passengers who arrive too late and the carrier shall not be liable to any such passenger except to refund a portion of the fare in accordance with tariff provisions.
Passengers holding return reservations, from Mexico, whether ticketed or not, must present their international documents and tickets to American Airlines Office Mexico City or Monterrey by 1.00 p.m. of the day before their scheduled departure or it will be assumed that they wish their return reservations to be cancelled.

CHILDREN — One child under two years of age, not occupying a seat, will be carried free with each accompanying passenger twelve years of age or over.

CURRENCY RESTRICTIONS — Passengers to countries other than Canada may not carry United States currency in denominations larger than $20.00 bills. Most European and Latin American countries (except Mexico) prohibit the importation of more than $50.00 or equivalent in any currency. It is strongly recommended that **all** funds of international travelers be converted into Travelers checks, bank drafts, letters of credit or other similar financial paper.

CUSTOMS DUTIES ON BAGGAGE — Baggage of international travelers will be examined by customs officers of each country on arrival. Personal articles intended for use while traveling are admitted free of duty. However, any merchandise for sale, gifts, samples or anything being carried for other persons will be subject to duty.
Residents of the United States are permitted to bring back, duty free, $100.00 in merchandise acquired outside United States, provided the traveler has been away from United States more than 48 hours (except to Mexico where no minimum is prescribed) and further provided that this free allowance is claimed not oftener than once in thirty days. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family.

FARES — All fares are shown herein for information purposes only, and are subject to correction and change without notice. Official tariffs are on file and open for public inspection at any American Airlines office.

FOUNTAIN PENS, LIQUIDS, ETC. — Due to changes in atmospheric pressure, fountain pens and other liquid containers have a tendency to leak. Usually all that is necessary is to screw the caps on tightly. However, it is advisable to wrap pens and containers securely, when placed in handbags, to insure against damage to other articles.

GROUND TRANSPORTATION — Ground transportation service is available at reasonable rates in all cities served by American Airlines System. See Page 14. Passengers using their own transportation direct to the airport are requested to report to the ticket agent at least ten minutes before plane departure time on domestic flights.

INSURANCE — Trip insurance is available at all airline offices.

INTERNATIONAL TRAVEL DOCUMENTS — Passengers on international flights must possess all documents required by the laws to the countries from, into or over which they are to fly and should any required documents be missing, passage may be denied. The following documents are required by **United States Citizens:**

To Canada: Proof of United States Citizenship.

To Mexico: For a pleasure trip, Proof of U. S. Citizenship and Mexican Tourist Card. For a business trip, a U. S. Passport, Mexican Visa and surety bond of 500 pesos.

To Newfoundland: Proof of U. S. Citizenship if remaining in Newfoundland less than six weeks; otherwise a U. S. Passport.
To Eire: U. S. Passport and Irish Visa.
To United Kingdom: U. S. Passport, Irish transit visa and British visa.
Documentary requirements are subject to change without notice. The above are given for information only and American Airlines System will not be responsible for any failure of passengers to comply with governmental requirements in force at the time of their passage.

MEALS — Meals are served aloft at no additional charge.

REFUNDS — Requests for refunds on tickets issued by American Airlines System, should be addressed to the Assistant Treasurer, American Airlines, Inc., 100 East 42nd Street, New York 17, N.Y.

RESERVATIONS — American Airlines welcomes advance reservations. Reservations for unticketed passengers will be held only for a reasonable time; if a passenger fails to purchase his ticket by the "time limit" agreed upon, the reservation will be cancelled and resold.

STEWARDESSES — Stewardess service is provided on all American Airline System flights.

STOP-OVER — Stop-overs will be allowed at any regular stop, provided reservation is made accordingly.

TAXES — Any ticket taxes imposed by Governmental authority are in addition to transportation fare, and will be collected wherever effective.
Mexican transportation tax, varying from $.45 to $2.25 depending upon the value of the ticket, will be assessed at the time return reservations are checked.

TIME TABLES — These time tables show the time at which planes may be expected to depart from and arrive at the stations shown, herein and to connect with trains or other planes, but their departure, arrival, or connection at the time stated is not guaranteed. American Airlines reserves the right to vary from the time, shown in this publication without notice to the public.

UNSCHEDULED LANDINGS — So that maximum amount of space be made available on all flights for the transportation of passengers and cargo, it will occasionally be necessary to make unscheduled landings at intermediate airports enroute for fuel.

EQUIPMENT — All flights in the United States, Canada and Mexico are operated with Douglas "Flagship Club" airplanes except flights 801, 802 and 815 which are operated with Douglas Airfreighter airplanes.
Flights on the Transatlantic route are operated with Douglas Flagship C-54E Land Plane.
