CURRENCY RESTRICTIONS — Passengers to countries other than Canada or Mexico should not carry United States currency in denominations larger than $50.00 bills. Many European and Latin American countries prohibit the importation of more than $50.00 or equivalent in any currency. This merchandise must be for the traveler's own personal use or for the personal use of immediate members of his family. $300.00 worth **additional** allowance per resident can be claimed duty-free not oftener than once every 6 months and provided the passenger has been out of the U. S. for at least 12 days.

Important—Passengers wishing to claim exemption of merchandise not moving on the same plane with them should declare such merchandise on the baggage declaration. If such unaccompanied baggage is to move in a single shipment to the passenger from a foreign country, the baggage declaration should be filled out in duplicate, and the duplicate copy retained after Customs' certification for subsequent entry of the unaccompanied baggage. In all other cases, only one copy of the declaration should be prepared. This applies to all unaccompanied baggage whether following by later plane or moving by surface transportation.

WINES AND LIQUORS—Residents of the United States may bring in one gallon of wine or liquor free of U. S. Customs duties. Non-residents are limited to one quart. The State of Texas, however, imposes a tax on liquor brought into the State from outside the U. S. by all passengers. This tax is applicable whether or not the passenger is destined to a point in Texas, or is in transit through Texas to a destination beyond. The tax amounts to about 30¢ per gallon on wine, and 36¢ per quart or $1.44 per gallon on liquor. Miniature bottles are taxable at 9¢ each, regardless of quantity of contents, for passengers in transit, and are prohibited for passengers deplaning in Texas.

TAXES — Mexican transportation tax, varying from $.46 to $2.72 depending on value of ticket, will be assessed at time return reservations are checked.

Call or visit any American Airlines office or authorized travel agent for further details concerning the above information.
Rules summarized above are subject to those published in tariffs filed with applicable governmental authority.
