AA Luggage Tips

At American, we do all we can to make sure that our passengers and their luggage arrive in the same place at the same time. To help us do still better, please follow these 12 luggage and packing tips:

1. Use sturdy, lockable luggage. Choose luggage that is strong and can be locked. We recommend use of combination locks. Arrange any necessary repair or replacement of older bags before your trip.

2. Use external name tags. We can return a misplaced bag faster if your name and address are on it. Any AA ticketing location or baggage service office will be glad to provide free tags. Be sure your name and address are inside each bag, too.

3. Remove old destination tags. To avoid possible confusion, take off the destination tags from your previous trips.

4. Make lists of luggage contents. List the contents of your bags and keep the list with you. You can help us identify a misdirected bag by giving us an accurate list of its contents.

5. Avoid overpacking your bags. Overpacking can damage your bags and their contents. Pack only what your luggage can comfortably hold. Be particularly careful with canvas or similar soft-sided bags.

6. Treat fragile items with care. Pack small breakable souvenirs in your carry-on bag. Have larger breakables carefully packed for shipment. Tighten the tops of liquid containers before packing them.

7. Keep your valuables with you. Do not check house or car keys, insulin or other medication, money, jewelry, legal documents, passports, tourist cards or other valuable or negotiable items.

8. Follow carry-on luggage regulations. Carry-on bags must fit under your seat. Maximum allowable size is 9 inches by 13 inches by 23 inches. While our airplanes have some space for larger bags and garment bags, it is quite limited. Check them if you can.

9. Check in early for flights. Check in at least 30 minutes before scheduled departure for domestic flights, an hour before on international trips. Remember to allow enough extra time for the lines that are always a part of air travel during the peak times of the year. Early check-in gives us time to get your luggage to your plane; a last-minute check-in means the bags may still be in the terminal when you are in the air.

10. Monitor the luggage you check. Wait at the curbside or ticket counter until our agent or Skycap has tagged your bags. Double-check to be sure the tag receipt shows the right destination. Keep the receipt in a secure, easily accessible location.

11. Allow ample connecting time. An airline cannot connect bags as quickly as it connects passengers. Follow the scheduling advice of your Travel Agent or AA reservations agent.

12. Remember that bags look alike. Do not rely on style or color when reclaiming your luggage. Match the number on the bag tag with your tag receipt and check your ID tag before leaving the claim area.

SERVICE is an American Tradition.

American knows the real difference between airlines is service—fast, friendly service from the time you make your reservation right up to the time you reach your destination. And that's exactly the kind of service people have come to expect from American.

SABRE Reservations System—Our computerized reservations system means faster service from the moment you pick up the phone. SABRE allows our reservations agents to find the most convenient flight for you and provide information for the lowest available fare. We can also handle your hotel and car rental reservations quickly and efficiently.

Pre-Reserved Seating—We can pre-reserve the seat you want up to 11 months in advance when you make your flight reservations.

Curbside Check-In—At most of American's domestic airports, you can check your bags at curbside for delivery to your final destination.

One-Stop Check-In—Once you're in the terminal, you can buy or pick up a ticket, select a seat and get a boarding pass in a single stop at the American ticket counter or at most flight-departure gates.*

Round-Trip Boarding Passes—You can pick up your boarding passes for all connecting and most return flights when you check in for your originating flight. Restrictions do apply to specific international destinations.

In-Flight Service—Once you're in the air, you'll find three more good reasons for flying American; our exceptional flight attendants, our outstanding meal service and our comfortable cabins. We serve you with the kind of warmth and courtesy that are part of the American Airlines tradition.

Better Baggage Handling Service—American has an improved baggage processing system and an experienced baggage handling team that works hard to assure faster, more reliable baggage deliveries and transfers. Getting your luggage to the right place at the right time is as important to us as it is to you.

SERVICE Start To Finish—On the ground or in the air we commit ourselves to bringing you the kind of exceptional service and dependability you deserve. Service in the American tradition.

*Service provided for all American Airlines domestic flights and available on most international flights.
