INTRODUCTION	
For the sake of convenience the earlier tabular lay-out of our timetable has been changed to this quick reference format. Your travel agent or our ticket offices will gladly supply any information you may want that cannot be found in this quick reference guide.	
GENERAL INFORMATION	
RECONFIRMATION OF RESERVATIONS	
To ensure your continuing and return reservations, reconfirmation is required at least 72 hours before departure of your flight. In accordance with standard industry regulations, failure to reconfirm may result in the cancellation of your reservations. For* phonenumbers of reconfirmation offices see cities of origin, or pages 1 and 2.	
DOCUMENTS	
To travel from one country to another you must usually have a valid passport, visa or other permit when required, and an International Vaccination Certificate. Although we usually have available the latest information, we are not responsible for its accuracy, and urge you to consult the nearest consulate of the country you propose to visit. Checks performed by our personnel do not constitute proof that the documentation was in order. Any consequences are for the account of the passenger, cost of deportation included. All airlines reserve the right to refuse carriage to passengers whose documents are not in order.	
CHECK-IN TIMES	
Latest check-in time for domestic flights between Aruba, Bonaire and Curacao is 30 minutes. Latest check-in time for all international flights is 60 minutes. Flights cannot be held for passengers arriving late, and no responsibility will be accepted in these cases. Late check-in may result in losing your reservation.	
HOTEL RESERVATIONS	
If passengers so request, hotel bookings will be made in leading hotels at most destinations served by the airline when airplane space is reserved. Although ALM will gladly perform this service for its passengers, no liability can be assumed for failure of any hotel to honor such reservations. Neither does ALM assume liability for her intermediary in cancelling hotel reservations.	
BAGGAGE	
Passengers paying full or half fare are allowed the following free baggage: 20 kilos (44 pounds) in Economy Class, 30 kilos (66 pounds) in First Class. Infants travelling at 10% of the adult fare no free baggage allowance. All baggage must be weighed, including overnight bags, briefcases, portable typewriters, personal radios, ladies' vanity or cosmetic cases, hat boxes, heavy cameras, etc. The only exceptions are: an overcoat, an umbrella, a small camera, a pair of binoculars, a lady's handbag, a reasonable amount of reading material, a baby basket, infant's food for consumption in flight, and a fully collapsible invalid's wheelchair and/or a pair of crutches and/or braces or other prosthetic device for the passenger's use when dependent upon them.	
Excess Baggage Charges: All baggage in excess of the above free allowances will be charged for at fixed rates per kilogram, varying per route to be flown. Cabin Baggage: one piece of baggage, the dimensions of which not to exceed 8x14x21 inches (20x35x53 cm) may be carried in the cabin by each full or half fare paying passenger.	

LIABILITY	
ALM does not accept any liability for damage suffered by passengers because of delay in the flight or failure to execute all or parts of a flight. Nor does ALM accept any liability for errors which, in spite of every precaution, may have occurred in timetables or fares stated.	
CONDITIONS OF CARRIAGE	
All transportation by ALM is subject to ALM's General Conditions of Carriage which are filed in the registry of the District Court in Curacao and which may be inspected at any of ALM's offices.	
AIRCRAFT AND CREWS	
In connection with lease- and pool agreements between KLM, SLM and ALM the following should be noted:	
New York schedules: KL flights are operated with KLM aircraft by KLM crews; LM flights are operated with KLM aircraft by ALM crews. Paramaribo schedules: KL and LM flights are operated by ALM aircraft and ALM crews, PY flights are operated by ALM aircraft, ALM cockpit crews, SLM cabin crews.
