NOW—66 POUNDS FREE BAGGAGE ON ALL INTERNATIONAL FLIGHTS

GENERAL INFORMATION

AIR FREIGHT AND AIR EXPRESS carried on all flights. For information on domestic and international rates or service, contact Traffic Manager in cities shown herein, or write Cargo Traffic and Sales Manager, Memphis, Tenn.

BAGGAGE includes all luggage such as brief cases, portfolios, handbags, packages, parcels, typewriters, camera equipment and accessories and other similar articles, whether personally carried by passenger in cabin or checked and carried in cargo compartments. Ladies' purses, overcoats, umbrellas, small pocket cameras and binoculars are regarded as personal weight of passenger. The liability of the Carrier, if any, for loss of or damage to baggage is limited to the actual value of such baggage, which is presumed not to exceed $100 for each passenger, unless a higher valuation is declared and an additional charge paid therefor. Baggage weight charges are separate and distinct from baggage valuation charges.

CANCELLATION—Reservations must be cancelled prior to scheduled departure time if full refund is desired. The Company reserves the right to cancel any reservation before passage or enroute. Pilot may remove passengers from plane or refuse them admittance to plane at any point on the route for safety or other cause. In all events the passenger's sole recourse shall be recovery of that portion of the fare equal to the distance untraveled.

CHILDREN'S FARES—A child under 2 years of age will be carried without charge so long as he does not occupy a reserved seat, provided the adult fare for the parent or guardian has been paid. A child 2 years of age or over, but under 12 years of age (or a child under 2 years of age for whom a reservation has been made) will be charged one-half of the normal all year adult fare and will be allowed to occupy a reserved seat. Children under eight years of age must be accompanied by a passenger at least 12 years of age, except that under certain specified conditions children five to eight years of age may travel unaccompanied.

GROUND TRANSPORTATION—Scheduled facilities have been arranged for the convenience of passengers. The company itself does not operate such service.

RESERVATIONS—All seats are reserved, and reservations are tentative until tickets have been purchased. Passengers are urged to make reservations well in advance.

STOP-OVERS within the time limit of the ticket will be permitted at any scheduled stop or flag-stop enroute, unless restricted otherwise.

TIME-TABLES show the times at which planes may be expected to depart from and arrive at the several stations shown, but are subject to change without notice, and are not guaranteed.

EQUIPMENT—Flight numbers in the 100, 300 and 500 series operate with 50-passenger DC-4 equipment. All other flights operate with 21-passenger DC-3 equipment.
