### RETURN BOOKINGS

It is always desirable that you make your return booking at the same time. However, if your return date is not definite, the return ticket may be left 'open', pending your advice of the departure date. On arrival at the port from which you will return, give BPA your address and phone number, so that you may be contacted if there is any change to your flight schedule.

### ONWARD BOOKINGS

BPA has facilities to arrange your journey by TAA, Ansett or Avis.

### SCHEDULE CHANGES

Changes to the schedules in this timetable may be necessary to cater for seasonal demand, operational difficulties due to weather or aircraft unserviceability and other unforeseen circumstances. Where possible booked passengers will be notified of changes.

### INTERNATIONAL TRAVEL

#### AIR EXPRESS

Air Express ensures first freight priority and is accepted on the basis of double standard rates. Minimum charge is \$5.50.

#### BULKY CARGO

When consignment of 4 kg is contained within a cubic foot, standard rates apply. Where this measurement is exceeded the charges are based on 4 kg = 1 cubic foot.
