AIR QUEENSLAND TRAVEL WORLD

Air Queensland Travel World offices can assist you with all forms of travel, for business or pleasure, domestic and international, by land, sea or air.

Most of our offices have Ansamatic and Tias reservations computers, so that your flight reservations can be made and confirmed on the spot, and your tickets issued.

We can book you and ticket you on Ansett, TAA and other domestic airline flights in addition to Air Queensland.

Our international travel consultants have travelled the world and can give you expert advice on business or holiday travel. We can assist with planning and costing itineraries, passport and visas requirements and travellers cheques; book Australian or International hotels, hire cars and sight-seeing tours. Our consultants can assist sporting and special interest groups on their way (group discounts are available from all our offices).

Enquire at one of our AIR QUEENSLAND TRAVEL WORLD offices for details of Air Queensland's holidays as listed in our Catalogue of Tours and destination holidays.
