# The quickest way to get onto an Air Queensland flight is to get onto Ansett.

Air Queensland is now linked to Ansett's computerised Ansamatic reservations system.

Which means, Ansett can now book and confirm any Air Queensland flight at the push of a button.

And Air Queensland passengers now use the Ansett terminals at Brisbane, Bundaberg, Rockhampton, Mackay, Proserpine, Townsville, Cairns and Mt. Isa airports.

Air Queensland operates the largest airline passenger network in the Sunshine State.

And its schedules have been dovetailed with Ansett's to give you the smoothest possible connections.

Call Ansett or your travel agent.
