NEW JET POWERED SERVICE

THE FAN-JET DC-9

Here is a passenger transport so sound in design and construction, and so operationally efficient that it promises reliability beyond that ever achieved by any airliner.

It's fast. The most powerful fan-jet engines in any twinjet airliner achieve cruising speeds of 560 mph, and its ability to climb quickly takes you to smooth weather-free altitudes in just a wink.

It's quiet. Rear-mounted engines keep you ahead of engine sound. Interior noise levels are controlled by a design which features acoustical insulating materials and triple-pane anacoustic windows.

It's comfortable. The unique high-T tail makes flights unusually smooth and stable. Passenger chairs are contoured to give extra room and cushioning. Two air-conditioning systems maintain a 70-degree cabin temperature under any climate condition whether the world outside the DC-9 is cold, hot, dry or humid.

It's designed for Central's routes. The DC-9 can go where jets have never gone before. It gets in and out of small airports fast because of its high rate of climb and descent, and because it's easy to board, to load, and to service.

DC-9 service is scheduled to start in late summer, 1967

And that's not all that's new on Central! The uniforms are new. And the departure lounges, the ticket counters, the food and beverage service, the aircraft interiors and exteriors. As one flight will tell you, Central's changed everything you know about flying the Central states!

Everything's new but the sky we fly!

Flying round trip?

Remember the $15 Flight.

You pay the full fare to go but just $15.00 to return on a round trip ticket to anywhere on Central's system. You can save up to $30.40. Use this special fare the same day, same week or anytime within 30 days except Fridays and Sundays. Reservations confirmed both ways.

Ask for the $15 Fare.

TWO

Fly your whole family.

Family Plan works 7 days a week.

Dad pays full fare. Mother or children ages 2 through 21 fly half fare (or Mom pays full fare and children half fare). Baby flies free. You can even go to different destinations. (Dad to one city for business; Mother and youngsters to another for a visit.) So long as you leave on the same plane, you qualify for the special rate.

Ask for Family Plan.

THREE

Children under 12 travel half fare.

Good 7 days a week. Reservations confirmed. Children under 5 must travel with someone who's at least 12 years old.

Ask for Children's Fare.

FOUR

It's brand new!

Youth fare saves 1/3. And no standby!

This discount is for persons over 11 and under 22. Fare is 66⅔% of the full adult fare. Reservations are confirmed. Identification card must be obtained before ticket can be issued. Youth Identification Card is valid for a calendar year and may be obtained by submitting application printed in this folder and $5 fee to any Central ticket counter (or mailed if you prefer).

Ask for Youth Fare.

FIVE

Military standby 7 days a week. Save 50%.

Just show up in uniform and leave a copy of your orders with us (or show proof of leave). If you're on authorized emergency leave, we'll reserve you a seat.

Ask for Military Fare.

SIX

Clergy card cuts fare in half.

Good seven days a week on standby basis. Clergy Identification Card good for a calendar year costs you only $5. Central also accepts Clergy cards issued by Bonanza, Frontier, or West Coast Air Lines.

Ask for Clergy Fare.

Price of all discount fares subject to minimum charge.
