TWO EXCITING INNOVATIONS FROM EAST COAST AIRLINES

AIRLINK – \$148

Multi Stopover flights for the businessman

Keeping a tight schedule on any business trip can be a problem. Now East Coast Airlines introduce AIRLINK, the ultimate commuter convenience.

An AIRLINK ticket provides you with access to 10 destinations between Sydney and Brisbane with a multi-stopover option.

Here's how it works: East Coast Airlines flies from Sydney to Newcastle, Taree, Port Macquarie, Coffs Harbour, Grafton, Lismore, Coolangatta and Brisbane on the coastal route and Inverell, Armidale and Tamworth inland.

Departing Sydney, you can break your journey at any of these points, providing your next destination is northwards and you complete your entire journey within 30 days. Of course the same conditions apply if your point of origin is Brisbane and you're flying south.

At any point you can disembark and connect with another commercial flight for your return journey. This sector is not included in the AIRLINK fare.

AIRLINK combines the convenience of road travel with the speed of air travel.

DISCOVERY – \$215 & \$296

Leisurely stopovers give you time to explore.

When you're on holiday you don't want to rush. Two DISCOVERY packages give you multi-stopover options between Sydney and Coffs Harbour or Sydney and Brisbane, there and back, at no extra cost. The inter-capital DISCOVERY flight offers eight coastal and three inland destinations in either direction for just \$296 or for just \$215 you can travel between Sydney and Coffs Harbour with two inland and four coastal stopovers on the way.

We only ask that if you depart in a northern direction, for example, you must continue travelling north between stopovers. If you backtrack, it will be presumed that you have begun your return journey.

An East Coast DISCOVERY flight lets you write your own schedule. Discover Sydney, Newcastle, Taree, Port Macquarie, Coffs Harbour, Grafton, Lismore, Coolangatta and Brisbane, or Inverell, Armidale and Tamworth in your own time.

AVIS

Wherever East Coast Airlines put you down, Avis picks you up.

All AIRLINK and DISCOVERY destinations are serviced by the AVIS network. Simply book your car when you book your ticket and it will be waiting for you when you arrive.

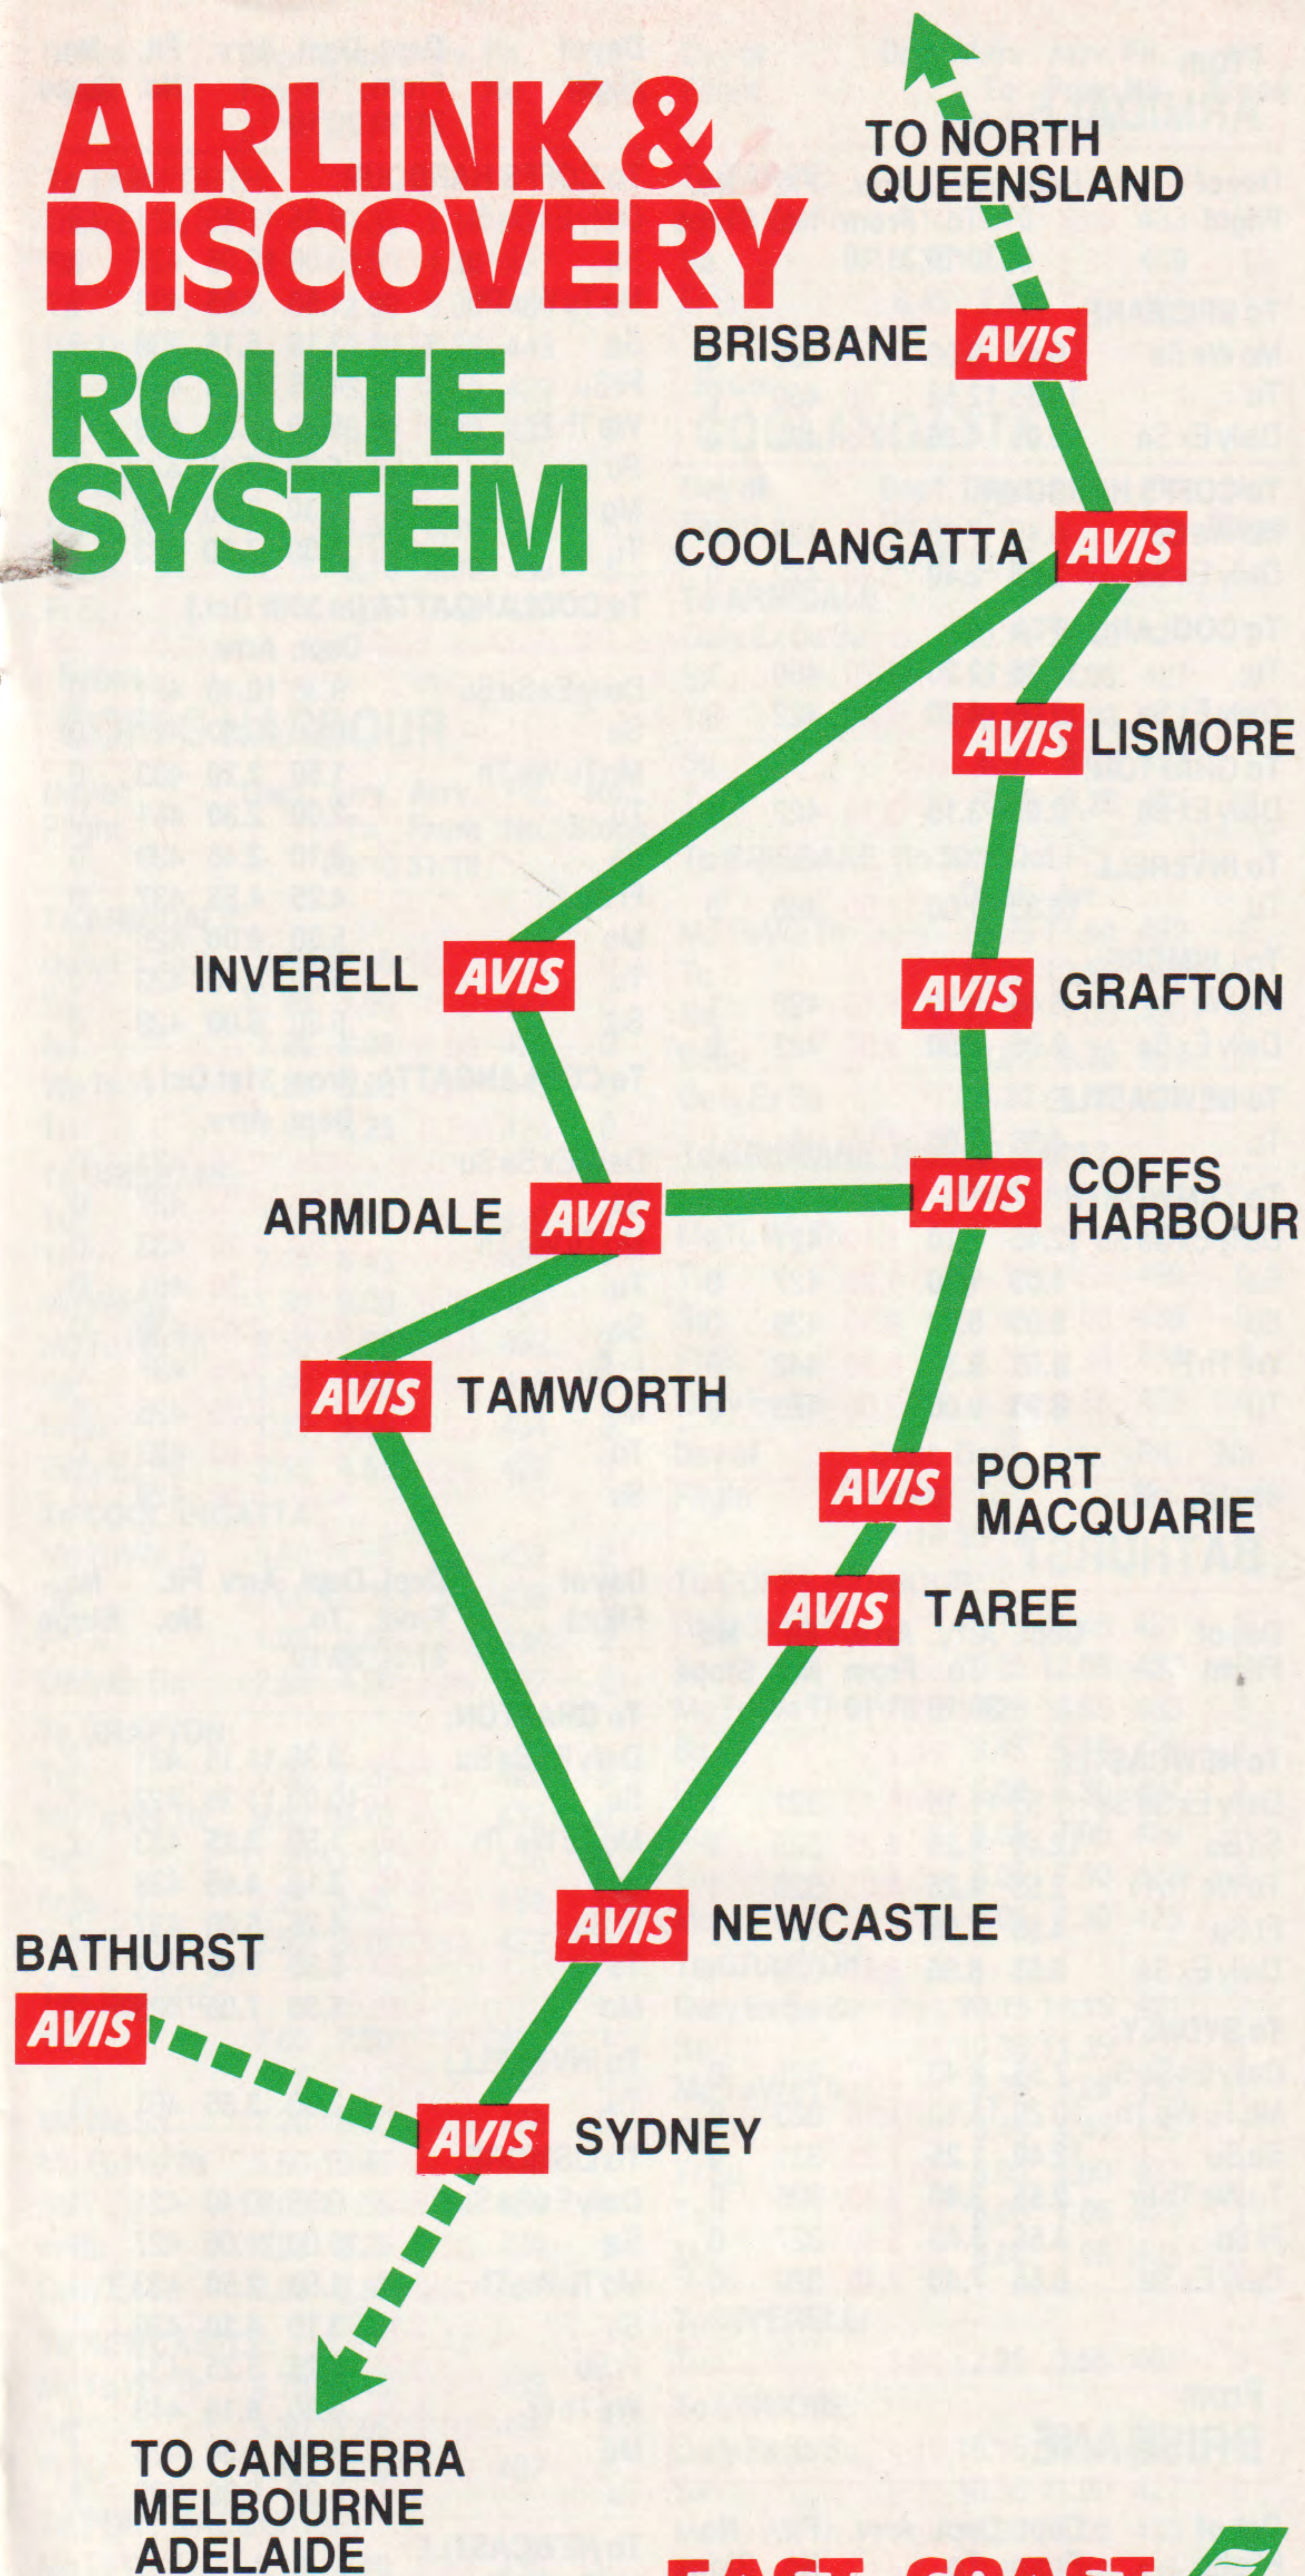

SPECIAL OFFER!

As an AIRLINK or DISCOVERY customer you qualify for 10% off the daily Flat Rate, which includes 200 kilometres per day at no charge for country hirings or unlimited kilometres in major centres. In the air or on the ground, East Coast AIRLINK and DISCOVERY flights give you a new kind of freedom.

For full details, enquire at any travel agent, your nearest AVIS counter or East Coast Airlines office.
