CAPITAL AIRLINES-PCA

Effective December 10, 1946

GENERAL INFORMATION

GENERAL OFFICES—Capital Airlines (Pennsylvania-Central Airlines Corp.) general offices are located at the Washington National Airport, Washington 1, D. C.

GENERAL—All service is subject to the rules and regulations contained in Local and Joint Passenger Tariff No. 2, as amended, on file with the Civil Aeronautics Board, copies of which are open for public inspection in any Capital Airlines office.

SCHEDULES—Capital Airlines will not be responsible for errors or omissions in schedules, inconvenience or damage resulting from delays to planes or failure to make connections, and also reserves the right to vary from the times shown, without advance notice.

RESERVATIONS—All space on Capital Airlines is reserved and passengers are urged to make reservations in advance. All reservations are tentative until tickets are purchased. When tickets are not picked up within the time limit agreed upon, the space automatically becomes available for resale. The Air Transport Association regulations provide:

"Passengers must contact the airline on which they hold return space or continuing space, after stopover, at least three (3) hours before departure or their reservations will be cancelled. Passengers must contact the airline on which they hold connecting space, without stopover, within 30 minutes after arrival at connecting point or the reservation will be cancelled. Passengers who fail to cancel reserved space will be assessed a service charge based on 25% of the ticket value or a minimum of $2.50."

CHECK-IN TIME—Passengers are requested to be at the airport 20 minutes before scheduled departure time. To provide on-time departure Capital Airlines will enforce a five (5) minute check-in rule. Passengers will not be checked-in for a flight less than five (5) minutes before departure.

If addressee has moved, notify sender on Form 3547, postage for which is guaranteed.
