SkyTeam Alliance

Delta wants you, as a world traveler and a valued customer, to have more flexibility and more choices in your global travel. So we've joined with **Aeroméxico, Air France-KLM, Alitalia, Continental, CSA Czech Airlines, Korean Air,** and **Northwest** to create **SkyTeam**, the first passenger-oriented global airline alliance, dedicated to providing greater flight options, improved customer service and enhanced benefits.

These are just a few of the opportunities awaiting you:

- Earn SkyMiles credit and redeem miles for mileage awards on any SkyTeam airline.
- Choose from more than 15,200 daily flights to 650 destinations worldwide in 137 countries.
- Get expert travel assistance at more than 2,000 SkyTeam ticket offices worldwide.
- Exclusive benefits for SkyTeam Elite Plus members: You and a guest, departing or connecting on a same-day international flight, can access more than 390 member airline lounges. All other SkyMiles members may enter lounges when traveling First or Business Class. Plus, if you are a SkyMiles Medallion member, you are automatically a member of SkyTeam Elite or SkyTeam Elite Plus.

For more information, visit the SkyTeam Web site at www.skyteam.com .

Worldwide Partners®

Delta has formed associations with leading airlines to establish codeshare* and SkyMiles partnership programs.

The codeshare relationships complement our International schedules by offering added destinations across the globe.

Delta's SkyMiles partners provide you the ability to accrue and redeem SkyMiles with additional airlines, expanding your opportunities to use SkyMiles benefits.

For more information about traveling on our partners, please contact Delta Reservations, your travel agent, or visit **delta.com**.

For additional information regarding our airline partners, visit partner web sites at the addresses below. There you will be able to find information such as aircraft fleet types and seating configurations.

**Under codeshare agreements, Delta purchases seats on a partner air carrier that are resold as Delta seats. These agreements are referred to as "codesharing" since seats on one aircraft are being sold by two airlines, with each carrier placing its own two-letter airline "code" (e.g., "DL") on the flight in the airline schedules and computer systems used by travel agents.*

When making reservations involving a codeshare flight not operated by Delta, the reservationist will advise you that another airline is operating the flight. Delta timetables and delta.com denote the same information.

Routes, partners and associated carriers are subject to change without notice. Mileage restrictions may apply for the accrual and redemption of SkyMiles.

† While SAM-operated flights are eligible for mileage accrual, they are not eligible for Award travel.
