PASSIONATE ABOUT YOU

At SN Brussels Airlines we're passionate about one thing – you, our customer. From start to finish. From takeoff to touchdown. From departure to destination. Or rather to destinations. Because our ever growing European and African network now covers some 60 destinations, while our transatlantic link, operated by code share partner American Airlines, flies to a further 23 US destinations.

We offer both Business and Economy Class on all flights, and our fleet is made up of Airbus A319s and A330s, and BAE 146s, RJ 85s, RJ 100s. Across our long-, medium-, and short-haul networks we operate a Brussels-based service where the accent is on quality, frequency and convenience. This, combined with a punctuality rate that's amongst the best in Europe, makes SN Brussels Airlines the perfect choice for travellers whose time is at a premium.

But your leisure is also our business. With our value-for-money Best Buy tickets, and our range of competitively priced products such as Last Minute and Weekend rates, we offer a choice to suit every passenger. And all the superior level of comfort, convenience and service that is our trademark.

African Network: All flights to and from our 14 African destinations are operated on Airbus A330-300s. The 42 seats in our Business Class cabins have a seat pitch of 62 inches – one of the highest in the industry – allowing passengers to recline their seats to 155 degrees and to relax or sleep comfortably for the entire journey. The 218 seats in our Economy Class cabins have a pitch of up to 33 inches, ensuring that all our passengers travel in comfort.

Our A330 fleet is equipped with a modern inflight entertainment system offering a choice of films and audio stations to enjoy. Business Class passengers can view the films on their 10.4-inch individual screens.

European Network: On the SN Brussels Airlines European network the accent is on punctuality, frequency and convenience. With more than 285 flights daily to 46 key winter destinations, we know that passengers' time is at a premium. Our speedy and efficient check-in options and our on-time arrivals and departures all ensure our rating as one of Europe's most punctual airlines.

GROUND TRANSPORT CONNECTIONS

Ground Connections to and from Brussels Airport

Brussels Airport is extremely well serviced by a variety of different ground transport options, offering passengers direct connections to the city centre and metropolitan, national and IC rail networks, as well as dedicated services to Antwerp, Eindhoven and Paris.

Thalys to and from the heart of Paris

SN Brussels Airlines passengers can now avail of a dedicated high-speed Thalys connection between Brussels Airport and Paris Gare du Nord. With its conveniently scheduled morning departure, this connection runs once daily and brings passengers to and from the heart of Paris in just under 2 hours.

Tickets may be booked via our website, our Customer Service Centre, your travel agent or directly at the SN Ticketing Offices at Brussels Airport and Paris Nord.

Passengers boarding in Paris may avail of a unique previous day check-in by which their luggage will be checked-in at Paris Nord and will go straight through to their final destination. Equally, passengers flying into Brussels with a Thalys reservation need not worry about rechecking-in their baggage, although they may be required to accompany it through airport customs, depending on where their journey originated.

The Thalys platform is located at Level -1 of the airport building.

SN Airport Express to and from Antwerp and Eindhoven

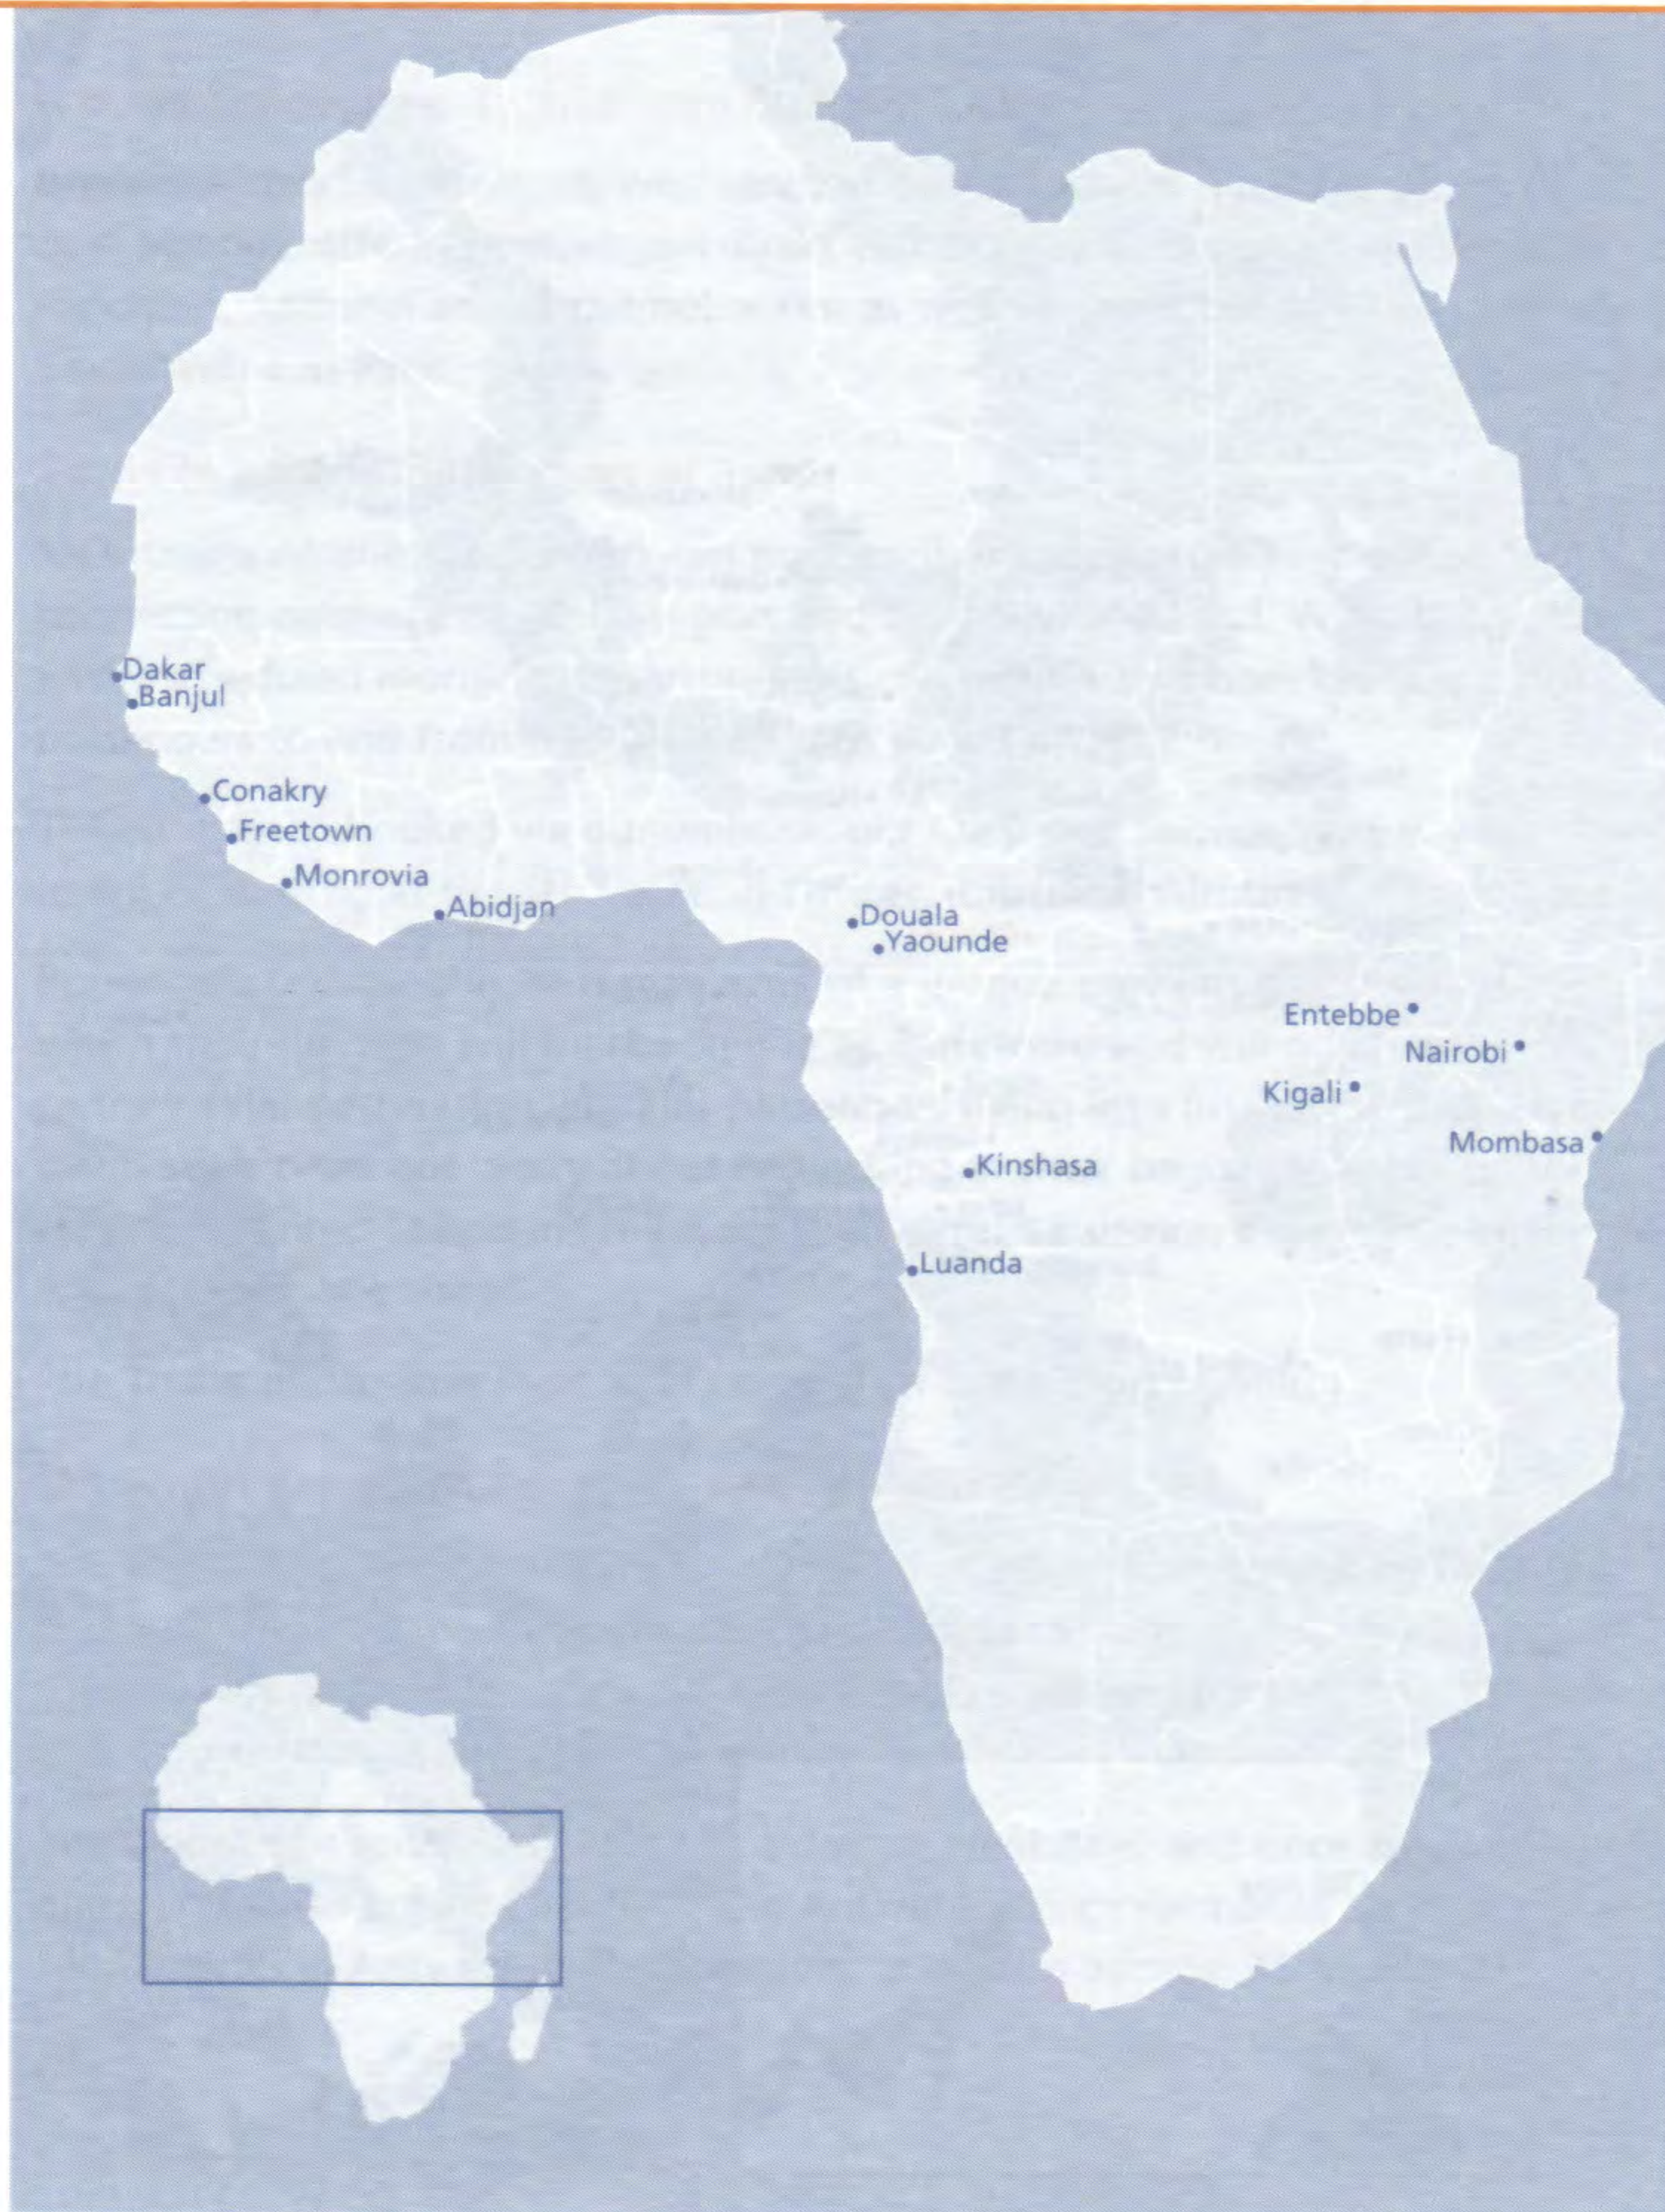

The airline also offers dedicated high-speed coach services to and from Antwerp and Eindhoven in The Netherlands. The ultimate in swift and efficient service, these luxury coaches are instantly recognisable by their smart SN Brussels Airlines blue and orange livery.

The Eindhoven service runs 3 times a day on weekdays, and once a day on weekends, and takes approx. 90 mins. The Antwerp service runs once an hour between De Keyserlei in Antwerp and the airport, and takes approx. 45 mins.
