PASSIONATE ABOUT YOU

SN Brussels Airlines – passionate about you

At SN we're passionate about one thing – you, our customer. From start to finish. From takeoff to touchdown. From departure to destination. Or rather to destinations. Because SN's ever growing European and African network now covers some 67 destinations, while our transatlantic link, operated by codeshare partner American Airlines, flies direct to New York and Chicago, as well as to a further 28 US destinations. We've also started a number of new point-to-point routes flying directly between key European destinations.

We offer both Business and Economy Class on all flights, and our fleet is made up of Airbus A319s and A330s, BAE 146s, RJ 85s and RJ 100s. Across our long-, medium-, and short-haul networks we operate a Brussels-based service where the accent is on quality, frequency and convenience. This, combined with a punctuality rate that's amongst the best in Europe, makes SN the perfect choice for travellers whose time is at a premium.

But your leisure is also our business. With our value-for-money Best Buy tickets, our Long Weekend rates and our Youth and Senior Discovery passes, SN offers a choice to suit every passenger. And all the superior level of comfort, convenience and service that is our trademark.

African Network: All flights on our African network are operated on Airbus A330-300s. The A330 offers both Business and Economy Class passengers a high level of comfort and service, while adhering to the most demanding safety criteria. All 42 seats in Business Class have a seat pitch of 62 inches – one of the highest in the industry – allowing passengers to recline their seats to 155 degrees and to relax or sleep comfortably for the entire journey. The seats are configured in a 2:2:2 set-up to allow for maximum privacy. The 218 seats in Economy Class have a pitch of up to 33 inches, ensuring that all our passengers travel in comfort.

Our A330 fleet is equipped with a modern inflight entertainment system offering a choice of films and audio stations to enjoy. Business Class passengers can view the films on their 10.4-inch individual screens.

European Network: On SN's European network the accent is on punctuality, frequency and convenience. With more than 285 flights daily to 52 key destinations, we know that passengers' time is at a premium. Our speedy and efficient check-in options and our on-time arrivals and departures all ensure our rating as one of Europe's most punctual airlines.
