## WITH BRUSSELS AIRLINES THE CHOICE IS YOURS

Flying with Brussels Airlines gives you the choice of two fantastic new economy products on over 50 European destinations, and Business and Economy class on our medium- and long-haul networks. With Brussels Airlines you decide for yourself how you want to fly - fully flexible or at the lowest fare guarantee!

### **B.FLEX – COMPLETE FLEXIBILITY AND TIME-SAVING AT ECONOMY PRICES**

b.flex is the original new travel solution for passengers who want to save time and need a high level of service such as priority check-in and fast-track security at Brussels Airport, as well as priority boarding and disembarkment. b.flex also offers more comfort on board; passengers may choose their own seat and receive complimentary food, drink and newspaper service. Plus, b.flex passengers can take an earlier flight on the same day, or change their flight date or destination entirely... with no penalty charges.

### **B.LIGHT – STARTING AT €49,99 THE LOWEST FARE GUARANTEE**

b.light is Brussels Airlines' answer to passengers looking for the best fare, offering a lowest fare guarantee across the range of European destinations. In effect, if passengers can find a lower (comparable) fare with another airline, Brussels Airlines will reimburse the difference. But with fares starting at €49.99 one-way all-in, b.light passengers will find that our on-board quality is hard to match - we have drinks, snacks and newspapers on sale at competitive prices - and our high standard of service with a smile comes free.

If you find within the hour a better online offer from or to Brussels (service fees, airport taxes and extras included) from another airline for a direct flight leaving within 30 minutes of your Brussels Airlines plane from the same airport to the same destination, Brussels Airlines will refund the difference. All conditions on [brusselsairlines.com](http://brusselsairlines.com). Prices one-way in b.light from or to Brussels, all taxes and fees included, if booked on [brusselsairlines.com](http://brusselsairlines.com). Tickets are not changeable, nor refundable. Prices are subject to change without prior notice.

### **STANDARD BUSINESS AND ECONOMY CLASS ON MEDIUM AND LONG-HAUL**

On our medium and long-haul networks our Business and Economy services have also been improved with a complete refurbishment of our long-haul jets, and extra comfort in Business Class on medium haul.

## BOOKING WITH BRUSSELS AIRLINES

### **[brusselsairlines.com](http://brusselsairlines.com)**

#### **BOOKING ONLINE IS FASTER AND CHEAPER**

Booking via the Brussels Airlines website is the fastest and cheapest way to fly. All you have to do is log on to [brusselsairlines.com](http://brusselsairlines.com) and select your departure point, destination, date and your choice of b.flex or b.light for European flights, or Business or Economy class for medium- and long-haul flights. Once you've done that, you'll have an immediate overview of the range of flights and price availability in one single 'at-a-glance' page. Which means you can choose where, when and at what fare you wish to travel in one simple operation. You can also book any extras you want, depending on which fare level you're flying.

### **CUSTOMER CONTACT CENTRE**
