GENERAL PASSENGER INFORMATION

SCHEDULES—TWA reserves the right to cancel or change schedules without notice. Safety is our primary consideration. Schedules shown are based on expected flying times. Because weather and other factors may affect operating conditions, departures and arrivals cannot be guaranteed.

RESERVATIONS—When calling TWA Reservations, use the local telephone numbers listed at each city heading and the last pages of this publication.

When a reservation for space is confirmed by an agent of the company, it is subject to the purchase of a ticket by the time limit agreed upon by the passenger and TWA, or if there is no agreement, at the minimum time before flight departure listed in TWA's tariff rules.

CHILDCARE PROGRAM—Unaccompanied children, five thru seven years, are accepted for TWA on-line transportation only. Unaccompanied children, eight or older, are accepted for both TWA and interline travel. If a child needs to make ground connections to another flight, he or she will be escorted by a TWA Customer Service Agent for a $30 charge. Should there be layover time, we have special childcare centers at STL and JFK under the constant supervision of a TWA staff member.

All unaccompanied children will be escorted from point of check-in to the TWA airplane where the child is placed in the care of a Flight Attendant.

To book your child on a TWA flight, or for more details, call 1-800-221-2000 or your travel agent.

PASSENGER REFUNDS—Submit requests for refunds of unused flight coupons to: Trans World Airlines, P.O. Box 20364, Kansas City, MO 64195

SEAT ASSIGNMENTS, CHECK-IN AND BOARDING—TWA offers reserved seat selection on all flights up to 11 months prior to departure and advance check-in "Airport Express" boarding passes, upon request, up to one month prior to your departure date. "Airport Express" is available at all TWA locations.

Reserved seats are subject to cancellation if not claimed at least 30 minutes prior to scheduled departure time. After checking in for the flight, passengers must present themselves at the departure gate for boarding at least 10 minutes (20 minutes for international flights) before scheduled departure time or their reservations and seat assignments are subject to cancellation.

Exit Row Seating—Passengers seated in exit row seats may be asked to assist crewmembers in an emergency. Exit rows are identified with an exit row indicator on your boarding pass and above the seat row on the aircraft. If you are seated in an exit row please read the posted signage at the check-in podium as well as the seat pocket information card on the aircraft.

FARES

Discount Fares—TWA offers many promotional fares throughout its system with discounts ranging up to 70%. These fares generally have conditions associated with them requiring advance reservation/ticketing and minimum/maximum stay limitations and may be subject to a service charge of up to 100% when changes or cancellations occur after the tickets have been issued. Seats at these fares are limited, and it is always best to make your reservations and purchase your tickets as early as possible. This will ensure that you have the widest availability of departure times and dates.

IN FLIGHT SERVICE

Electronic Equipment—Electronic equipment such as cellular telephones, portable radios, TV's and some electronic toys emit signals that may interfere with the aircraft's navigational equipment and must not be used on board the aircraft. Should a cellular telephone be a part of your carry-on baggage, it must be turned off prior to boarding the flight to avoid interference created by incoming calls. Portable electronic devices such as laptop computers, tape players, CD players, video games and video cameras may be used in flight *except* while the seat belt sign is illuminated for take-off and landing.

Beverages—Soft drinks, juices, coffee, tea and milk are available and free of charge to all passengers. FAA regulations require that all alcoholic beverages consumed in flight must be served by TWA. On Domestic flights, including flights to/from Hawaii and the Caribbean, liquor, beer and wine are available for purchase in Coach and are complimentary in First Class and Ambassador Class. On International flights liquor, beer and wine are served complimentary to all passengers.

Entertainment—Music and first-run motion pictures are yours to enjoy on selected wide-body flights. On Domestic flights, including flights to/from Hawaii and the Caribbean, there is a $4.00 entertainment fee in Coach.

Smoking—In conjunction with Federal law, TWA policy prohibits smoking on all scheduled flights in the U.S.A., including flights to/from Puerto Rico and Honolulu.

DUTY FREE/WORLD CLASS COLLECTION—TWA is pleased to offer on all of its International flights our World Class Collection of duty free items and gift products. TWA's duty free items and unique gift collection can be purchased at substantial savings over airport duty free shops. FFB members can also earn mileage when making purchases of $50.00 or more. Purchases can be made during your flight.

BUS SERVICE IN ITALY—Independently operated bus services are available to TWA passengers in connection with TWA Transatlantic flights to/from: Rome/Fiumicino Airport and Naples, Milan/Malpensa Airport and Turin-Genoa-Parma-Bologna. Call your travel agent or TWA for operating times and reservations.

TRANS WORLD EXPRESS® service is a cooperative arrangement between Trans World Airlines, Inc. and Trans States Airlines, Inc., Trans World Express, Inc., and Alpha Air operating as independent contractors, offering convenient connecting service to many new destinations with certain travel services featured on Trans World Airlines, Inc. Use of the name **"Trans World Express®"** or other TWA marks by the above contractors is pursuant to a limited trademark license from TWA. Trans World Express flights operated by Trans States Airlines Inc. are numbered 7000-7549, flights 7570-7899 are operated by Trans World Express, Inc. and flights 7970-7999 are operated by Alpha Air.

INTERNATIONAL TRAVEL—An international trip may require the need for valid travel documents such as a passport, visa, re-entry permit, health certificate, inoculation record or a ticket for the return journey or the continuance of your trip. The responsibility for the proper documentation rests with the individual passenger. Concerns about the required travel documents may be resolved by contacting the appropriate consulate or embassy.

BAGGAGE—All luggage or packages carried in the cabin or checked in the cargo space of the aircraft are considered baggage. A coat, umbrella, pocketbook, small camera or binoculars, infant food, and reading material for the flight are not included as baggage.

Curbside Check-In—Curbside check-in facilities exist at many TWA locations for travel which is wholly domestic. If your final destination is outside the United States federal law prohibits curbside check-in.

Carry On Baggage—A maximum of two bags may be carried on board subject to space availability and government limitations. A briefcase is considered one of the allotted pieces, as is a garment bag. All carry-on baggage must fit in the overhead compartment or under a seat and must be properly stowed prior to the cabin door being closed.

Free Baggage Allowances—Flights within the USA and Puerto Rico—
TWA will accept three pieces of baggage free of charge for each ticketed passenger. Combined checked and carry-on baggage allowance may be one of the following: three (3) pieces checked and no carry-on; two (2) pieces checked and one (1) carry-on; one (1) piece checked and two (2) carry-on. Maximum weight per bag is 70 pounds. Two pieces of checked baggage may each not exceed total outside dimensions (length + width + height) of 62 inches. The third piece of checked baggage, or any carry-on baggage, may each not exceed total outside dimensions of 45 inches. Extra charges apply to items which exceed the three-piece free allowance or exceed the size and weight limitations.

Free Baggage Allowance—International Flights—Each ticketed passenger may check a total of two pieces not to exceed outside dimensions (length + width + height) of 62 inches each. Maximum weight per bag is 70 pounds (32 kgs). Carry-on baggage is allowed subject to size restrictions, space availability and government limitations. Extra charges apply to items which are in excess of the two-piece free allowance or exceed the size and weight limitations.

IDENTIFY YOUR BAGGAGE INSIDE AND OUT.

NOTE:—"Weight System" allowances may apply to international travel originating/terminating in the United States after stopover, change of airport or in some cases change of carrier. Additionally, weight allowances may apply to/from the U.S.A. and within or between certain foreign countries who do not participate in the piece concept agreement.

Excess Baggage—USA and Puerto Rico—Baggage in excess of the above allowances shall be charged as follows: $45.00 per piece for the first three pieces of baggage in excess of the free allowance, $65.00 for each of the next three pieces in excess of the free allowance and $130.00 for all subsequent excess pieces regardless of the fare paid.

Excess Baggage—International—Baggage in excess of the above allowances shall be charged an excess baggage rate per piece, depending upon the passenger's origin/destination. Contact TWA for excess rates.

Oversize—Baggage exceeding the dimensions of 62 inches (157 cm) and up to 115 inches (292 cm) and/or baggage exceeding the weight of 70 pounds (32 kgs) and up to 115 pounds (45 kgs) shall be charged as follows: In the U.S.A., and Puerto Rico $45.00 per piece regardless of the fare paid. And on international flights, double the single excess baggage will apply for each oversized or overweight article. Baggage exceeding 100 inches or weighing more than 100 pounds per piece must be shipped by air freight or other means. Bicycles are acceptable as checked baggage if the handlebars, pedals, baskets, baby seats etc., are removed or rotated to a position that prevents damage.

Baggage Identification—All checked baggage must bear a name identification on the exterior of the bag or package. Identification tags are provided free by TWA. We also suggest that your name and address be placed inside the baggage.

Excess Value—Liability for loss, delay, or damage to baggage is limited as follows unless a higher value is declared and an extra charge is paid:
(1) for most international travel (including Domestic portion of international journeys) to approximately $9.07 per pound ($20.00 per kilogram) for checked baggage and $400 per passenger for unchecked baggage; (2) for travel only between U.S. points, $1250 per passenger on most carriers; (3) on a domestic segment of a domestic or international trip, for any assistive device, such as a wheelchair which is the property of the paying passenger, 200% of the normal liability. Extra valuation may be obtained at $1.00 for each $100.00, or fraction thereof, claimed up to a maximum declared value of $5,000, for both domestic and international travel. TWA IS NOT RESPONSIBLE FOR MEDICINES, JEWELRY, CASH, CAMERA EQUIPMENT, COMPUTERS AND/OR PARTS THEREOF, OR OTHER SIMILAR VALUABLE ITEMS CONTAINED IN CHECKED OR UNCHECKED BAGGAGE. THESE ITEMS SHOULD BE CARRIED PERSONALLY BY THE PASSENGER.

Hazardous Material Restrictions—Federal law prohibits the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in penalties of up to $25,000 and five years imprisonment. Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, loaded firearms, and radioactive materials and liquid and solids which have anaesthetic, noxious or other similar properties which could cause extreme annoyance or discomfort to passengers and/or flight crew members. Examples are: paints, lighter fluid, fireworks, tear gases, oxygen bottles, life-saving devices and radio-pharmaceuticals. There are special exceptions for small quantities (up to 1 quart total) of medicinal and toilet articles carried in your luggage and certain smoking material carried on your person. For further information contact a TWA representative at 800-221-2000.
