WITH BRUSSELS AIRLINES THE CHOICE IS YOURS

Flying with Brussels Airlines gives you the choice of two fantastic economy products, **b.flex economy +** and **b.light economy**, available to over 50 European destinations as well as **Business and Economy** class on our medium- and long-haul networks. With Brussels Airlines you decide for yourself how you want to fly - fully flexible or at the best price, or even a combination of both!

B.FLEX ECONOMY + COMPLETE FLEXIBILITY AND TIME-SAVING AT ECONOMY PRICES

b.flex economy + is the original new travel solution for passengers who want to save time and need a high level of service such as **priority check-in** and **fast-track security** at Brussels Airport. **b.flex economy +** also offers more comfort on board; passengers may choose their own seat and receive complimentary food, drink and newspaper service. Plus, **b.flex economy +** passengers can change at the airport to an earlier flight on the same day, or change their flight date or destination entirely... all with no penalty charges. **b.flex economy +** cancellations are also fully reimbursable, thus giving passengers the option to cancel their flight before flying.

B.LIGHT ECONOMY – GREAT LOW FARES STARTING AT €49,99

b.light economy is Brussels Airlines' answer to passengers looking for the best fare, offering the best prices across our network of over 50 European destinations. In effect, with fares starting at €49.99 one-way all-in, **b.light economy** passengers will find that our on-board quality is hard to match - We have an excellent choice of drinks and snacks on sale at competitive prices - and our high standard of service with a smile comes free!

STANDARD BUSINESS AND ECONOMY CLASS ON MEDIUM AND LONG-HAUL

On our medium and long-haul networks our **Business and Economy** services have also been improved with a complete refurbishment of our long-haul jets, and extra comfort in **Business Class** on medium haul.

CHECK-IN ONLINE AND AVOID THE QUEUES

 **ONLINE CHECK-IN** Now queuing up at busy check-in counters is a thing of the past thanks to our new online check-in facility.

Rather than waiting till you're at the airport, if you've booked your ticket online or if you have an e-ticket, you can go straight to our online check-in on our website, and check yourself in as from 24h before departure without any fuss or stress from your home or your office. In Brussels Airport you can use the online check-in screens at our ticketing office in the Departures Area.

1 Go to brusselsairlines.com or your country Brussels Airlines website and select the check-in options, or go straight to checkin.brusselsairlines.com (in English).

2 Fill out your family name and your booking reference (a 6 letter/digit code which you'll find on your booking confirmation or itinerary). Click continue

3 From there you'll go to a summary page which gives you an overview of check-in options, including your assigned seat number(s). **You can change your seat if you wish by clicking on the appropriate button and selecting a new seat on the schema of the aircraft's seating layout.** Once you're happy with your seating details confirm, and click continue.

4 Print out the pdf version of your boarding pass.

You can use this method to check in anything from 24 hours to 1 hour before your flight, and when you arrive at the airport, just go straight to your gate with your printed out boarding pass and your passport – and that's it! Plus, even if you have luggage, you still don't need to wait – just leave your luggage at the designated Brussels Airlines Baggage Drop off point and proceed to your gate. Check it out next time you fly on brusselsairlines.com.

 **EXPRESS CHECK-IN** If you have a reservation you can use the Express check-in kiosks at Brussels Airport. The service is available for customers with both paper and electronic tickets. All you need is your booking reference (a 6 digit/letter code that's on your booking confirmation) to identify yourself, and you can use the Express Check-in booths to check yourself in in less than 20 seconds. And if you have luggage, just drop it off at the designated luggage drop off point at rows 4 and 5.

 **RETURN CHECK-IN** Passengers returning within 24 hours can check in for their outbound and return flight at the same time, as long as they have a confirmed booking. This service is available across Europe.

 **CHECK-IN TIMES** As we operate a very busy network, Brussels Airlines aims to ensure that every flight leaves on time. Please observe the latest reporting times for check-in listed below, and please bear in mind that late check-in may result in cancellation of your reservation.

Ouvrir des Horizons First à sa clientèle

Cartes bancaires

Fellow et Partner sont les prototypes de cartes bancaires multifonctions First Bank. Elles permettent aux porteurs, clients First Bank, d'avoir accès aux distributeurs automatiques de billets et d'y effectuer plusieurs autres opérations 24h/24 ; 7j/7.

First connection

Dans le but de trouver des solutions globales aux préoccupations de sa clientèle, Afriland First Bank a procédé depuis quelques années à l'interconnexion de ses différentes agences. Cet arrimage aux TIC permet aux clients d'effectuer des opérations inter-agences à distance et en temps réel.

I-Card

Au delà des fonctions traditionnelles d'instrument de paiement dans les supermarchés, stations d'essence, pharmacies, agences de voyage, restaurants, guichets AES-SONEL et de la CNPS, il protège son porteur contre les risques de vol, des billets mutilés et de la fausse monnaie.

Service Client First

Communiquer 24h/24 et 7j/7 avec Afriland First Bank est possible, ceci grâce aux accès multiples offerts par la plate forme technique :

- Service client : 74 72 91 09 / 99 38 14 60
- Numéro vert : 88 00 21 21
- E-mail : firstbank@afriandfirstbank.com
