With Brussels Airlines you decide for yourself how you want to fly – **b.business**, fully flexible or at the best price.

### **b.flex economy + the best economy class in Europe**

**b.flex economy +** is the original travel solution for passengers who want to save time and need a high level of service such as priority check-in and fast-track security. **b.flex economy +** also offers more comfort on board; passengers may choose their own seat and receive complimentary food, drink and newspaper service. Plus, **b.flex economy +** passengers can change at the airport to an earlier flight on the same day, or change their flight date or destination entirely... all with no penalty charges. **b.flex economy +** cancellations are also fully reimbursable.

### **b.light economy – the low fare you can trust**

**b.light economy** is Brussels Airlines' answer to passengers looking for the best fare, offering the best prices across our network of over 50 European destinations. In effect, with all in, return fares starting at € 99, **b.light economy** passengers will find that our on-board quality is hard to match - We have an excellent choice of drinks and snacks on sale at competitive prices - and our high standard of service with a smile comes free!

### **b.business – the class that puts you first**

**b.business** is Brussels Airlines' new Business Class service on the European network. Offering all the advantages in flexibility of a Business Class service, as well as premium service and gourmet dining on board, **b.business** completes Brussels Airlines' short-haul line-up.

### **Standard Business and Economy Class on medium and long-haul**

## CHECK-IN ONLINE : CHOOSE YOUR SEAT AND AVOID THE QUEUES

 **ONLINE CHECK-IN** Queuing up at busy check-in counters is a thing of the past thanks to our online check-in facility.

Rather than waiting till you're at the airport, you can go straight to our online check-in on the website, if you are holding an electronic ticket and/or booking reference. Check yourself in without any stress from your home or office.

- 1 Go to [brusselsairlines.com](http://brusselsairlines.com) and select the check-in/manage my booking option.
- 2 Fill out your booking reference, your family name and departure date. Click continue.
- 3 From there you'll go to a summary page which gives you an overview of check-in options, including your assigned seat number(s). You may change your seat if you wish. Once you're happy with your seating details, confirm and click continue.
- 4 Print out the pdf version of your boarding card.

You can use this method to check in anytime from 36 hours to 1 hour before your flight. At the airport just go straight to your gate with your printed out boarding pass and your passport or ID card. If you have luggage to be checked in, just leave it at the designated Brussels Airlines' Baggage Drop off counters in our check in area and proceed to the gate. At both Brussels Airport and across the network, these are the premium check in counters which guarantee you the shortest waiting time at the airport of your departure. Check it out next time you fly Brussels Airlines.

## OTHER CHECK-IN OPTIONS

 **EXPRESS CHECK-IN (BRUSSELS AIRPORT ONLY)** If you have a reservation you can use the Express check-in kiosks at Brussels Airport. This service is available for all our customers – even if you travel with luggage.
