## WITH BRUSSELS AIRLINES THE CHOICE IS YOURS

Fly with Brussels Airlines and you can choose between a premium Business Class service, **b.business**, or two fantastic economy products, **b.flex economy+** and **b.light economy**, available to over 50 European destinations. Flying medium-haul (to Tel Aviv) and long-haul (to Africa), you have the choice between Business and Economy. With Brussels Airlines you decide for yourself how you want to fly – business, fully flexible or at the best price.

### **BUSINESS** – the class that puts you first

**b.business** is Brussels Airlines' new Business Class service on the European network. Offering all the advantages in flexibility of a Business Class service, as well as premium service and gourmet dining on board, **b.business** completes Brussels Airlines' short-haul line-up.

### **flex** – the best economy class in Europe

**b.flex economy+** is the original travel solution for passengers who want to save time and need a high level of service such as priority check-in and fast-track security. **b.flex economy+** also offers more comfort on board; passengers may choose their own seat and receive complimentary food, drink and newspaper service. Plus, **b.flex economy+** passengers can change at the airport to an earlier flight on the same day, or change their flight date or destination entirely... all with no penalty charges. **b.flex economy+** cancellations are also fully reimbursable.

### **light** – the low fare you can trust

**b.light economy** is Brussels Airlines' answer to passengers looking for the best fare, offering the best prices across our network of over 50 European destinations. In effect, with fares starting at €99 return all-in, **b.light economy** passengers will find that our on-board quality is hard to match – we have an excellent choice of drinks and snacks on sale at competitive prices – and our high standard of service with a smile comes free!

### Standard Business and Economy Class on medium and long-haul

Business and Economy services on our medium- and long-haul networks have been improved – our long-haul jets have been completely refurbished, and our Business class on medium-haul now offers extra comfort.

## BOOKING WITH BRUSSELS AIRLINES

### BRUSSELSAIRLINES.COM BOOKING ONLINE IS FASTER AND CHEAPER

Booking via the Brussels Airlines website is the fastest and cheapest way to fly. All you have to do is log on to [brusselsairlines.com](http://brusselsairlines.com) and select your departure point, destination, date and your choice of **b.business**, **b.flex economy+** or **b.light economy** for European flights. For medium- and long-haul flights, you can choose between Business and Economy class. Once you've done that, you'll have an immediate overview of the range of flights and price availability in one single 'at-a-glance' page. Which means you can choose where, when and at what fare you wish to travel in one simple operation.

### Customer Contact Centre

You can call our Customer Contact Centre at 0902 51600\* (within Belgium), where our trained staff will give you full details of flight options and prices, as well as book your chosen reservation (they can also answer any queries on special bookings, promotions etc).

Brussels Airlines maintains a fully-serviced sales desk on the departures level at Brussels airport. Our helpful and trained staff are on hand to deal with all your reservation needs during normal working hours seven days a week. Plus, we have dedicated ticketing desks or representations at all airports across our network.

### Travel agent

Alternatively you can book through your travel agent, who will be able to give you real-time information on flight schedules, information and promotions.

## OTHER CHECK-IN OPTIONS

**Express check-in (Brussels Airport only)**  
 If you have a reservation you can use the Express check-in kiosks at Brussels Airport. This service is available for all our customers – even if you travel with baggage. Just leave your baggage at the designated Brussels Airlines' Baggage Drop Off points once you've retrieved your boarding pass. Customers with electronic tickets need only the electronic ticket number or the booking reference to identify themselves. Available on all European flights operated by Brussels Airlines.

**Return check-in**  
 Passengers returning within 24 hours can check in for their outbound and return flights at the same time, as long as they have a confirmed booking.

**Check-in times**  
 As we operate a very busy network, Brussels Airlines aims to ensure that every flight leaves on time. Please observe the latest reporting times for check in listed below, and please bear in mind that a late check-in may result in cancellation of your reservation.
