WITH BRUSSELS AIRLINES THE CHOICE IS YOURS

Fly with Brussels Airlines and you can choose between a premium Business Class service, **b.business**, or two fantastic economy products, **b.flex economy+** and **b.light economy**, available to over 50 European destinations. Flying medium-haul (to Tel Aviv) and long-haul (to Africa), you have the choice between Business and Economy. With Brussels Airlines you decide for yourself how you want to fly – business, fully flexible or at the best price.

BUSINESS – the class that puts you first

b.business is Brussels Airlines' Business Class service on the European network offering all the advantages and flexibility of Business class, as well as premium service and gourmet dining on board.

flex – the best economy class in Europe

b.flex economy+ is the ultimate travel solution for passengers who want to save time and need a high level of service such as priority check-in and fast-track security. **b.flex economy+** also offers more comfort on board; passengers may choose their own seat and receive complimentary food, drink and newspaper service. Plus, **b.flex economy+** passengers can change at the airport to an earlier flight on the same day, or change their flight date or destination entirely... all with no penalty charges. **b.flex economy+** cancellations are also fully reimbursable.

light – the low fare you can trust

b.light economy is Brussels Airlines' answer to passengers looking for the best fare, offering the best prices across our network of over 50 European destinations. Passengers will find that our on-board quality is hard to match – we have an excellent choice of drinks and snacks for sale at competitive prices – and our high standard of service with a smile comes free!

Standard Business and Economy Class on medium and long-haul

Business and Economy services on our medium- and long-haul networks have been improved – our long-haul jets have been completely refurbished, and our Business class on medium-haul now offers extra comfort.

BOOKING WITH BRUSSELS AIRLINES

BRUSSELSAIRLINES.COM BOOKING ONLINE IS FASTER AND CHEAPER

Booking via the Brussels Airlines website is the fastest and cheapest way to fly. All you have to do is log on to brusselsairlines.com and select your departure point, destination, date and your choice of **b.business**, **b.flex economy+** or **b.light economy** for European flights. For medium- and long-haul flights, you can choose between Business and Economy class. Once you've done that, you'll have an immediate overview of the range of flights and price availability in one single 'at-a-glance' page. Which means you can choose where, when and at what fare you wish to travel in one simple operation.

Customer Contact Centre

ONLINE CHECK-IN

Queuing up at busy check-in counters is a thing of the past thanks to our online check-in facility. Rather than waiting until you are at the airport, you can check yourself in without any stress from your home or office. Simply go to the online check-in section on our website, and use your ticket number or your booking reference for identification.

- 1 Go to **brusselsairlines.com** and select online check-in.
- 2 Select departure airport and fill in your booking reference and last name, then click continue.
- 3 Confirm that you would like to check in for the indicated flight(s), as well as the passenger's name.
- 4 You are now checked in and a summary page is shown. You can add your frequent flyer number at this stage. You can also change your seat if you wish by clicking on the appropriate button and selecting a new seat.
- 5 If your final destination is in the United Kingdom, Canada, United States, Mexico, India or China, additional information needs to be filled in.
- 6 Select how you would like to receive your boarding pass: direct print, receive via email, or receive a mobile boarding pass on your web-enabled mobile device.

You can use this method to check in anytime from 24 hours to one hour before your flight departs. At the airport, when carrying only hand luggage, just go straight to the gate with your boarding pass and your passport. If you have baggage to check-in, you will still beat the queues – just leave your baggage at the designated Brussels Airlines “Baggage Drop Off” counters (where available) in our check-in area and proceed to the departure area.

MOBILE CHECK-IN

Whether you're between meetings or on your way to the airport, you can now manage your travel plans easily. Check in anywhere, any time, from 24 hours right up to one hour before your flight. There is no need for a printer – the boarding pass will be sent to your web-enabled mobile device as a 2D barcode, which can then be scanned at many locations in airports such as at baggage drop-off points, security checkpoints, lounges, tax free shops and at boarding gates.

- 1 Surf to **m.brusselsairlines.com** from your web-enabled mobile device.
- 2 Select your language, then select Mobile Check-In.
- 3 Proceed to check in by supplying your departure airport, booking reference or e-ticket number and your last name.
- 4 Confirm that you would like to check in for the indicated flight(s), as well as the passenger's name.
- 5 A seat has been pre-selected for you. You can opt to change this seat, and also add your frequent flyer number.
- 6 Choose how you would like to receive your mobile boarding pass: via SMS or email. If you are choosing the email option, please ensure your device is enabled to receive emails.
- 7 After receiving the SMS or email, click on the link to view your mobile boarding pass. It is advisable to save the boarding pass on your web-enabled mobile device for offline use.

OTHER CHECK-IN OPTIONS

Express check-in at airports

If you have a reservation you can use the Express check-in kiosks at Brussels Airport and selected European destinations. This service is available for all our customers – even if you travel with baggage. Just leave your baggage at the designated Brussels Airlines' Baggage Drop Off points once you've retrieved your boarding pass. Customers with electronic tickets need only the electronic ticket number or the booking reference to identify themselves.

Return check-in

Passengers returning within 24 hours can check in for their outbound and return flights at the same time, as long as they have a confirmed booking.

Check-in times

As we operate a very busy network, Brussels Airlines aims to ensure that every flight leaves on time. Please observe the latest reporting times for check in listed below, and please bear in mind that a late check-in may result in cancellation of your reservation.
