ОБЩА ИНФОРМАЦИЯ ЗА ПЪТНИЦИТЕ

Настоящата информация е от най-общ характер. Подробни допълнителни данни за приложимите тарифи, валидни разписания, общи и специални условия за международен въздушен превоз, можете да получите в бюрата на БЪЛГАРСКИ ВЪЗДУШНИ ЛИНИИ „БАЛКАН“.

РЕЗЕРВАЦИЯ НА МЕСТА И ОТКАЗ ОТ ПЪТУВАНЕ

Ако желаете, Вие можете предварително да си запазите място за определена дата и полет, като се свържете с което и да е от посочените в настоящото разписание бюра на БАЛКАН. В случай, че се наложи да не пътувате, незабавно уведомете за това съответното бюро, за да се анулира направената резервация, в противен случай, може да се наложи да заплатите глоба в размер до 25% от приложимата еднотарифна тарифа, за първата отсечка от маршрута на пътуването.

ПРЕПОТВЪРЖДЕНИЕ НА РЕЗЕРВАЦИЯТА

Препотвърждавайте направената резервация, в установения от превозвача срок, преди всеки полет, в който и да е пункт на маршрута на пътуването Ви. В противен случай, превозвачът има право да освободи запазеното от Вас място. За презокеански и междуконтинентални полети срокът за препотвърждение е 72 часа /три дни/ преди датата, на която ще пътувате.

За международните линии на БАЛКАН резервацията следва да се препотвърждава в срок от 48 часа /два дни/ преди полета.

КУПУВАНЕ И ЗАВЕРКА НА БИЛЕТИ

Информирайте се в бюрата на БАЛКАН за крайния срок, в който трябва да купите или заверите билета си за пътуване. Ако не направите това, резервацията Ви ще се анулира.

ПРЕКЪСВАНЕ НА ПЪТУВАНЕТО

Ако имате намерение да прекъснете пътуването Ви и да престоите няколко дни, в някой пункт от Вашия маршрут, уредете това предварително, в момента, когато резервирате място, купувате или презаверявате билета си.

СРОК НА ВАЛИДНОСТ И ВРЪЩАНЕ НА СУМИ

Всеки международен пътнически и багажен билет издаден по нормална тарифа е валиден за превоз една година от датата

на издаването му, при условие, че пътуването не е започнало. Ако пътникът е използвал билета по една отсечка от маршрута си, то валидността на същия е една година от датата, на която е започнало пътуването. В случай, че билетът е издаден по специална тарифа, то срокът на валидност се определя от специфичните условия за нейното приложение, като задължително се отбелязва в него при издаването му. Рекламации за връщане на суми за неизползувани международни билети се подават в писмена форма до превозвача найкъсно до един месец /30/ тридесет календарни дни, след датата на която изтича валидността на превозните документи.

РАЗПИСАНИЯ

Всички часове дадени в настоящото разписание са в местно време. Също така, часовете вписани в билета Ви, публикувани в други издания или печатни материали от какъвто и да е било характер, не са гарантирани и не представляват част от договора за въздушен превоз.

БАЛКАН не е отговорен за пропусната връзка с друг полет или друг вид превозно средство, както и за грешки допуснати в тези публикации. При необходимост, разписанията на полетите и типа на самолета могат да се променят без предизвестие.

ТАРИФИ

Тарифите публикувани служат за информация на пътниците. Те подлежат на промяна без предизвестие. Пътническата тарифа за въздушен превоз, включва цената за превоз със самолет от едно до друго летище, за класа и по маршрута, определен от превозвача. Допускат се известен брой намаления на редовните тарифи, приложими при специални условия. /Напр. за деца до 2 год. — 90%; за деца от 2 до 12 год. — 50%; за младежи и студенти — 25% и др./. Информирайте се за тях в бюрата на БАЛКАН, преди купуването на билета.

ТАКСИ

Наземният превоз от града до летището и обратно, летищните и други пътнически такси, не са включени в пътническата тарифа. Вие следва да заплатите тези такси при поискване в бюрото, където купувате билета си или при регистрирането Ви на летището.

НОРМИ НА БЕЗПЛАТНО ПРЕВОЗВАН БАГАЖ

Всеки пътник над две-годишна възраст има право да превози със себе си до 30 кг багаж безплатно, ако пътува с билет 1-ва класа и до 20 кг багаж безплатно ако пътува с билет икономическа класа.

Бебета и деца до 2-годишна възраст нямат право на безплатна норма багаж. В допълнение, към безплатната норма багаж се разрешава да превозите със себе си, в пътническата кабина на самолета безплатно следните предмети и вещи:

— малка дамска и тоалетна чантичка

- малък фотоапарат и/или бинокъл
- чадър и/или бастун
- палто, пелерина и/или леко одеяло
- няколко книги, списания и/или друг печатен материал в разумно количество за ползване по време на полета
- храна за бебе за консумация по време на полета и портативно бебешко кошче
- чифт патерици и/или съвместимо портативно инвалидно кресло.

Тези предмети не се теглят и регистрират, а се превозват под контрола и на отговорност на пътника. Имайте предвид, че целият останал багаж ще се претегли, /вкл. пътнически чанти и спортни сакове, големи тоалетни чанти и кутии за шапки, транзисторни радио /магнетофони, големи фотоапарати и кинокамери, пишещи машини и куфарчета за документи и др./, независимо от това дали ще се превозва в пътническата кабина или багажниците на самолета.

РЕГИСТРИРАН БАГАЖ

Това е багажът, който се претегля и регистрира на летището, преди да се приеме от превозвача за въздушен превоз в багажниците на самолета. Този багаж следва да бъде поставен в здрава и подходяща опаковка, както и да се заключва, за да не се отваря по време на наземните операции или по време на полета. Незаключен багаж, с неподходяща или повредена опаковка не се приема за въздушен превоз. Запечатайте върху и вътре в багажа си по един адресен етикет, който можете да получите в бюрата или на летищата на БАЛКАН. По този начин ще обезпечите бързото идентифициране и доставка на багажа си по местоназначение, в случай на нередовности при превоза. Не поставяйте в регистрирания си багаж следните предмети: чупливи вещи, бързоразвалящи се хранителни продукти, пари и ценни книжа, скъпоценности и търговски мостри, служебни или лични документи, както и посочените Ви в билета забранени за въздушен превоз предмети. БАЛКАН не носи отговорност за повреда или загуба на горецитираните вещи. По време на полет е строго забранено ползването на транзисторни устройства, фотоапарати и кинокамери. Вие следва незабавно при пристигането си да уведомите летищните служби, за нередностите, които сте констатирали при превоза на Вашия регистриран багаж. Ако е необходимо, ще бъде съставен констативен протокол за щета, в потвърждение на направената от Вас устна reclamaция.

ВАЖНО СЪОБЩЕНИЕ!

За Вашата лична сигурност и за безопасността на полета не приемайте за пренасяне чужди вещи. В краен случай — Вие сте длъжни да декларирате евентуален чужд багаж на летището пред митническите контролни гранични власти.

ТАКСА ЗА СВРЪХБАГАЖ

Ако теглото на целия багаж, който искате да превозите със себе си надхвърля определената в билета Ви норма килограми за безплатен превоз, Вие ще трябва да заплатите за всеки допълнителен килограм такса за свръх-багаж в размер на 1% от приложимата едноточна пътническа тарифа за превоз в 1-ва класа.

РЕГИСТРАЦИЯ НА ЛЕТИЩЕТО

Моля, на летището явете се на гишето за регистрация в часа отбелязан в билета. При покупката на билета или при резервация на място, ако не е посочен часа, поискайте информация от градската агенция. Това се налага, за да се извършат необходимите формалности, свързани с пътуването. При пътуване по международни линии приемането на пътници се прекратява 30 мин. преди часа определен за излитане на самолета, а за вътрешни линии — 20 мин. Изключения не се допускат.

ЛЕТИЩНИ РЕГИСТРАЦИИ

Моля, явявайте се на гишето за регистрация на летището, в часа, вписан в билета Ви, или ако не е посочен такъв, достатъчно време, преди часа, определен по разписание за излитане на самолета. Това е необходимо, за да могат да се извършат различните формалности, свързани с пътуването Ви. Имайте предвид, че ако се явите със закъснение на летището, Вие няма да бъдете приети за регистрация и съответно няма да можете да пътувате.

ДОКУМЕНТИ

Снабдете се своевременно с всички необходими документи — митнически, паспортни и здравни, изисквани от законите и наредбите на страните в пунктовете от/до и през които ще пътувате. БАЛКАН има право да откаже превоза на пътник с нередовни документи, като последствията от това не ангажират по никакъв начин отговорността му като превозвач.

GENERAL INFORMATION FOR PASSENGERS

Shown here is a summary of information of a general nature. For additional information and details of valid tariffs, schedules, general and specific regulations and conditions of carriage, please apply to any BALKAN-Bulgarian Airlines office.

RESERVATIONS AND CANCELLATION

Call any BALKAN-Bulgarian Airlines office listed in this timetable to obtain in advance airlines' reservations necessary for your journey. It is requested that your reservation be cancelled as soon as it is known that the seat will not be used. Otherwise you may be required to pay a fee up to 25% of the applicable one way fare.

RECONFIRMATION

Any onward or return reservation shall be subject to the requirement to reconfirm the reservation in accordance with and within the time limits specified in Carrier's Regulations.

For transatlantic and intercontinental flights the time limit for reconfirmation is 72 hours (three days) in advance of the departure time. The time limit for reconfirmation on BALKAN's international flights is 48 hours prior to departure. Failure to comply with any such requirement will entitle the Carrier to cancel your onward or return reservation.

TICKETING TIME LIMITS

You are required to purchase or validate your ticket within the time limits specified by the offices of BALKAN. Failure to do so will result in cancellation of your reservations.

STOPOVER

You may stopover at any scheduled stop or connecting point provided you arrange for stopovers when requesting reservation or when purchasing or validating your ticket.

VALIDITY AND REFUND

A ticket issued at the normal fare is valid for carriage for one year from the date of commencement of flight or if no portion of the ticket is used, from the date of issue thereof. A ticket issued at other than the normal fare is valid for carriage only for the period and subject to the conditions prescribed in Carrier's Regulations or in the ticket itself. Claims for refund for unused tickets on international services are to be submitted in writing to the Carrier not later than 30 days after the date of expiration of the validity of the ticket.

SCHEDULES

All times in the present timetable are local. Times shown in the ticket, timetable or elsewhere are not guaranteed and do not form a part of the Contract of carriage and BALKAN assumes no responsibility for making connections. BALKAN will not be liable for errors or omissions in the above publication. Schedules are subject to change without notice.

FARES

All fares published herein have the quality of an information. They are subject to change at any time without notice. The passenger fare includes the cost of transportation from one airport to another for the class and route established by the Carrier. There is a number of fare reductions applicable upon certain conditions, such as for infants up to 2 years of age (90%), children from 2 to 12 (50%), young people from 12 to 22 years of age (25%), students, group travel. Any BALKAN office will gladly furnish you with detailed information before you buy your ticket.

TAXES

The cost of surface transportation from the town to the airport and v.v., airport taxes and other route charges are not included in the price of your airline ticket. You will be charged for these when you buy your ticket or at the airport.

FREE BAGGAGE ALLOWANCE

Generally 30 kgs (66 lbs) free baggage is allowed for First class passengers and 20 kgs (44 lbs) for Economy class passengers. Children, travelling on 50% fare tickets, either class, are entitled to the adult baggage weight allowance. Infants travelling at the 10% fare are not entitled to free baggage allowance. The following articles will not be weighed as baggage and can be taken into the cabin as hand luggage:

— A lady's handbag or pocket book, an overcoat or wrap, an umbrella or a walking stick, a small camera, a pair of binoculars, a reasonable amount of reading matter for the flight, infant's food for consumption en route, an infant's carrying basket, a fully collapsible wheel chair and/or a pair of crutches.

The unchecked articles are carried under the care and responsibility of the passenger.

All other baggage must be weighed, including an overnight bag, a briefcase, a lady's vanity case, a portable typewriter, a large camera or portable radio, whether carried in the cabin or checked in the cargo compartment. Portable frequency modulation (FM) radios and cameras shall not be operated on board the airplane during the flight.

CHECKED BAGGAGE

This is the baggage which is weighed and checked at the airport before it is accepted by the Carrier for air transportation in the cargo compartment of the airplane. Baggage should be properly packed and locked to avoid opening during ground handling and transportation. Baggage which is not properly packed shall not be accepted for air carriage. It shall be clearly tagged both on the outside and inside with an address and name label which can be obtained from BALKAN's offices or at the airports in Bulgaria. Thus, you will ensure fast identification and delivery of your baggage in case of irregularities during transportation. Please avoid packing the following articles in your checked baggage: fragile or perishable articles, money, jewellery, silverware, stocks, bonds or other securities, valuable articles, samples or business papers, as well as the articles mentioned in your ticket as prohibited for air transportation. BALKAN assumes no responsibility whatsoever in case of loss or damage to the above mentioned articles. In case of irregularities

with your checked baggage established upon arrival you should immediately contact the "Lost and Found" office at the airport, if necessary a "Property Irregularity Report" shall be made out as a confirmation of the damage reported.

EXCESS BAGGAGE

Passengers shall pay a charge for the carriage of baggage in excess of the free baggage allowance at the rate and in the manner provided in Carrier's Regulations. Normally, excess baggage is carried at a charge of 1% of the normal First class one way fare per kilogram (2.2 lbs).

AIRPORT REGISTRATION

You are kindly requested to arrive at the check-in location at the airport at the time fixed in your ticket.

If no time is fixed, you should inquire about the time of arrival when you buy your ticket or book your seat at the town offices.

This is necessary for the timely completion of the different formalities connected with your journey.

When travel on international services, originating from airport in Bulgaria, and on domestic services, is involved, the check-in deadline is 30 minutes and 20 minutes respectively, prior to scheduled departure. No exceptions are admitted and in case you fail to arrive in time, the Carrier may cancel your space.

IMPORTANT NOTICE

For reasons of personal and flight security do not accept, under any pretence, the carriage on board of goods or articles which are not your own. In case you have done so, you are required to declare them to the customs and frontier control authorities at the airport.

TRAVEL DOCUMENTS

The passengers shall hold all exit, transit, entry, health and other documents required by laws, regulations, orders and demands of the countries concerned. BALKAN is not liable for loss, expenses or any consequences due to passenger's failure to comply with the above mentioned requirements.

PASSPORT REGULATIONS

Every year the Bulgarian Government reduces the visa requirements for foreign tourists visiting Bulgaria. Transit visas are issued on the spot at any Bulgarian representation and consulate in the appropriate countries. Long-term visas are provided to citizens of the following countries: Austria, Hungary, Denmark, Iceland, Norway, Poland, Romania, USSR, Tunisia, Finland, Czechoslovakia, Sweden and Yugoslavia, with which Bulgaria has established a mutual abolition of visas.

Those visiting Bulgaria, being unable to obtain visas for one reason or another, are supplied with such upon entry. Tourist or ordinary visas are valid for a 2 month's stay, and transit visas for a 7 day's stay and may be extended by the passport offices or via Balkan-tourist information offices in the resorts concerned. The only requirement regarding your stay in this country is to follow the hotel and private accommodation registration procedures. This registration should be entered in your "Frontier Control" Card.

CURRENCY REGULATIONS

Foreign currency unlimited. No declaration is required for the import and export of unused foreign currency.

Exchange of foreign currency can only take place in official exchange offices (e.g. in each Balkantourist hotel, restaurant, night clubs as well as at the Bulgarian National Bank branches). Just for information, the Bulgarian "LEV" consists of 100 "stotinki". Banknotes of 20, 10, 5, 2 and 1 LEVA are in circulation. For each exchange, a so-called "Bordereau" will be given to you indicating the amount and currency exchanged. This has to be kept until departure. It entitles you upon departure to exchange the remainder of LEVA into the appropriate currency. Export and import of local currency is prohibited.

CUSTOMS REGULATIONS

It is not even necessary to fill in the required import declaration stating your personal effects brought with you in this country such as currency, gold, silver, valuable articles, jewellery, etc. which might be in excess. All you have to do is to declare them orally. It should be kept in mind that import of goods intended for sale is strictly forbidden.

No customs taxes are imposed on tape-recorders, photo-cameras, portable type-writers, shot guns, radio sets, etc., provided they are taken out on your departure. Items acquired during your stay in this country may also be taken out free-of-duty, as long as currency regulations are observed. Two litres of Bulgarian plum brandy, three litres of wine and 350 grams of tobacco products, Bulgarian make, may be exported free-of customs duty.
