FLY NORTHEAST SUNLINERS TO

MIAMI BEACH

YOU CAN PAY MORE... BUT YOU CAN'T FLY BETTER!

NORTHEAST is THE way to

Florida

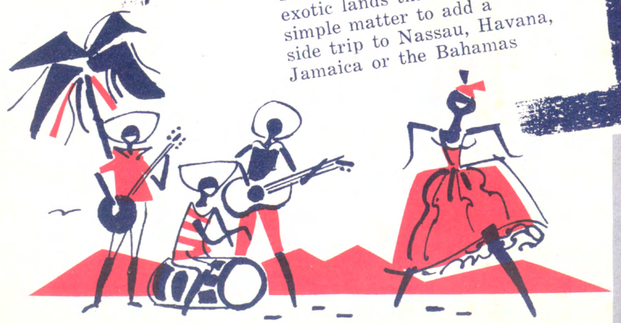
Luxurious DC-6B Sunliners whisk you south in time for extra hours of fun. You'll love the quieter, radar-smooth flight . . . the comfort of exclusive two-and-two seating and the unbelievably low-low fare! For example, only $46.80 plus tax from New York to Miami Beach!

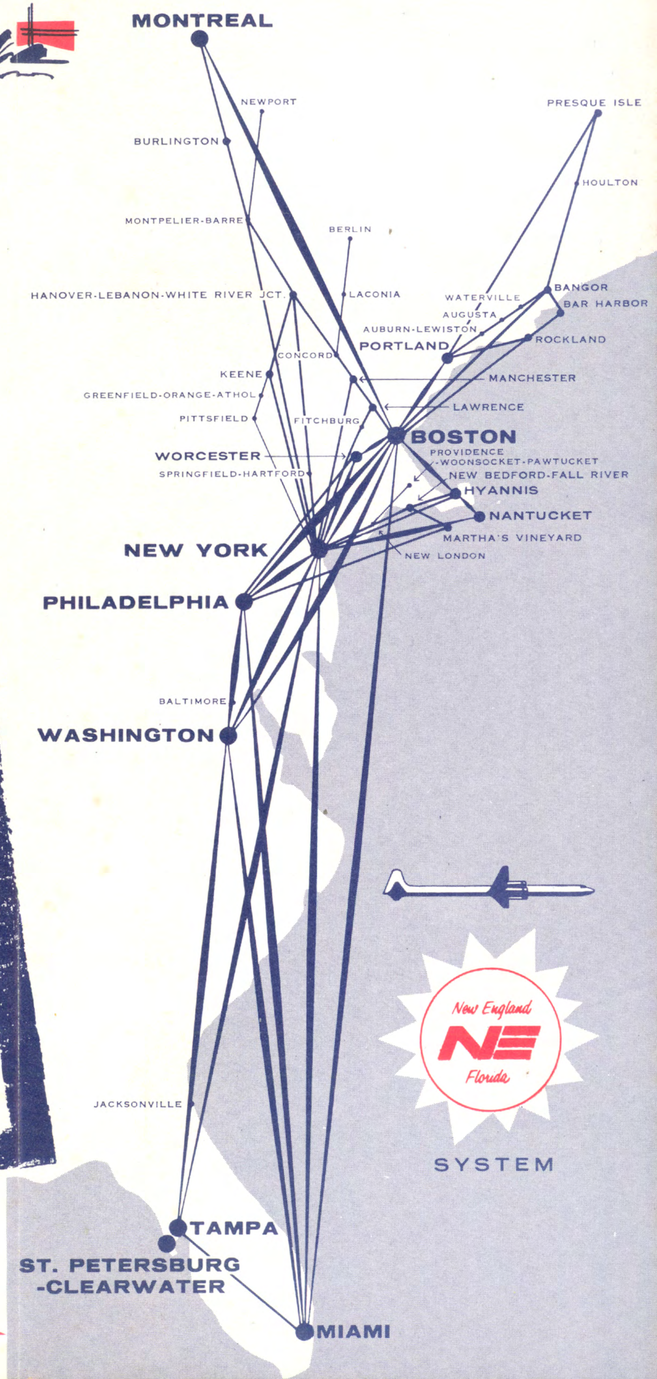
Make your reservations NOW!

Try a foreign extension to the

CARIBBEAN

In Florida you're so near to exotic lands that it is a simple matter to add a side trip to Nassau, Havana, Jamaica or the Bahamas





NORTHEAST VISCOUNT

The recent publicity concerning transatlantic and domestic jet flights tends to obscure the fact that the jet age of commercial aviation actually arrived in the United States several years ago. The occasion was the introduction of the Viscount, the world's first jet-prop airliner. This faster, quieter, smoother airliner has amassed a spectacular record for popularity, safety and dependability throughout the world. In use by more than thirty airlines, the Viscount is the most proven jet-type aircraft in scheduled airline service. Northeast Airlines is extremely proud to have been one of the leaders in offering jet-power travel to the American public.

GENERAL INFORMATION

AIR COACH SERVICE—Sunliner provides maximum comfort at low coach rates. Round-trip fares on Air Coach flights are twice the one-way fares. Family Plan discounts are not applicable.

AIR TRAVEL PLAN—A convenient world-wide method for charging your air transportation ticket. Contact any Northeast Airlines Office for detailed information.

BAGGAGE ALLOWANCE—The term "baggage" shall mean all luggage including brief cases, portfolios, parcels, camera equipment, portable typewriters, and similar articles to be checked or carried aboard the aircraft. Forty (40) pounds is the free allowance for First-Class or Coach Travel in or between the United States and Canada. When transportation is part of an international trip by air, sixty-six (66) pounds is the free allowance for all portions for which a first class fare is paid and forty-four (44) pounds is the free allowance for all portions for which a coach fare is paid. Baggage in excess of the free allowance may be accepted at a charge of one half of one percent of the applicable First-Class, one-way, adult fare, per pound, when travel is in or between the United States and Canada.

CHILDREN—One child under two years of age and not occupying a seat will be carried free of charge for each passenger paying a full fare. Children two years of age, but under twelve may travel at half rate when accompanied by a passenger 12 years of age or over. Children five years or older travelling alone (subject to special arrangements—ages 5, 6 or 7) will be charged the full adult fare.

CONFIRMED TICKET PICKUP POLICY—The Confirmed Ticket Pickup Policy adopted by all scheduled airlines, is employed as an instrument to promote even better service for air travellers. Here's how it works:

1. Purchase your confirmed ticket indicating your positive reservation, by the time agreed to with your Northeast Agent. Otherwise, Northeast is obligated to make the space available for sale to others.
2. Take advantage of the many ways available for securing your confirmed ticket. Northeast Airlines, or your authorized Travel Agent, will gladly explain the specific methods.

FAMILY PLAN TRAVEL—Here's how it works: Simply purchase one full-fare one-way first-class ticket for yourself, for a Northeast flight scheduled to depart no earlier than midnight Monday, or not later than midnight Thursday. Then purchase at two-thirds the one-way first-class fare tickets for your wife (or husband) and/or children under twenty-two (22) years of age to accompany you. One youngster under two, who does not occupy a seat, may accompany your family at no extra cost.

INSURANCE—Trip insurance is available at all airport offices.

LOST AND FOUND—Report lost items to your nearest Northeast Office or write: Northeast Airlines, Inc., Lost and Found Department, Logan International Airport, Boston, Mass.

RECONFIRMATION—When you travel to a city by air or other means, you must reconfirm your continuing or return reservations, if you will stay over-night or longer otherwise your reservation will be cancelled 6 hours prior to departure. Reconfirmation is not required if time between planned arrival time and scheduled departure time is less than 12 hours.

TICKET REFUNDS—Tickets may be refunded at any Northeast Airlines Office, or mailed to: Northeast Airlines, Inc., Ticket Refund Department, Logan International Airport, Boston, Mass.
