BAHAMAS AIRWAYS

TO NASSAU and the OUT ISLANDS

The Out Islands of the Bahamas comprise one of the most uniquely lovely island chains anywhere in the world. It is formed by all of the hundreds of islands and thousands of cays which span outwards from New Providence where Nassau serves as the hub of a sparkling resort empire.

And no visit to Nassau is complete without a trip to one of these picturesque island townships and settlements. They offer everything the vacationer could wish for . . . from the luxury accommodation of Andros Town, Bimini, Harbour Island, Grand Bahama, Eleuthera and Abaco to the more modest establishments on other islands. For the fishing enthusiast, the Out Islands are paradise . . . for the lovers of Nature's grandeur, they are a never-ending source of delight . . . those who seek the gay life of international society will find their friends in a dozen resorts . . . and the peace and restfulness of a shady beach is readily available for those who wish nothing but quiet and relaxation. And you are surrounded always by the incredible beauty of the Bahamian sea. Don't deprive yourself of the pleasure of a Bahamas Airways flight to the Out Islands!

Bahamas Airways, a scheduled international airline, flies 4 engine Handley Page Hermes and completely modernized Douglas DC-3 Aircraft. Amphibious aircraft are also operated. Besides Miami, West Palm Beach, Fort Lauderdale and Nassau, BAL serves Bimini, Grand Bahama, Andros, Abaco, Eleuthera, Harbour Island, Great Exuma, Cat Island, Long Island, San Salvador, Mayaguana, Great Inagua, and Turks Island. Charter services are available for your business or pleasure trip to any spot in the Bahamas.
