INFORMATION

Your Ticket and Conditions of Contract—Your ticket is issued subject to these regulations, and to our general conditions of carriage of passengers and baggage, extracts of which can be found in your ticket.

Scheduled and Delays—The times shown in timetables or elsewhere are approximate and not guaranteed, and form no part of the contract of carriage. Carrier does not undertake to commence or complete carriage of passengers or baggage within any particular time. Schedules are subject to change without notice and carrier assumes no responsibility for making connections.

Reservations and Ticketing—Failure to show up at flight time for seats held may involve 50 per cent of the one-way passenger fare being forfeited. Passengers whose reservations are confirmed within the 24 hour period will be required to purchase their tickets as soon after confirmation as possible.

Ground Transfer Service: Except as otherwise indicated in Carrier's Regulations, Carrier does not maintain, operate, or provide ground transfer service between airports or between airports and town centers.

Hotel Accommodations and meals: The cost of hotel accommodations and meals is not included in passenger fares.

Departures: Passengers are requested to be at airport ticket lifting point at least 30 minutes before scheduled departure time on domestic flights and 45 minutes for international flights.

Reservations may be cancelled if passengers have not presented themselves at the requested check-in times.

Children and Infants: One child under 2 years not occupying a seat will be carried free with each accompanying adult passenger. Children under 2 years occupying a seat or over 2 years and under 12 years will be charged one-half of the adult fare.

Baggage: Free baggage allowance on all services is 44 lbs. Baggage in excess of the free baggage allowance will be charged at the rate of 1 per cent of the highest one-way fare per kilo (2.2 lbs.) and within the Bahamas at 14 cents per pound to all destinations.

Freight: Freight services are available on all services and rates for this service can be obtained through any BAL office or its agents.

Reconfirmation: To reconfirm your reservations, simply inform your local Bahamas Airways Agent, or cable BALAIR, Nassau, Bahamas.

Pets: Pets are accepted for travel, if safely crated, at the current excess baggage rates when accompanied by a passenger or freight rates if unaccompanied.

Hotel Accommodations: At certain points in the various Out Islands hotel accommodation is very limited and it is suggested, especially during the winter season, that passengers have confirmed accommodations in advance.
