HOW YOU CAN HELP US TO HELP YOU

When you board your Southern flight, you have every reason to expect fast, on-time service.

We of Southern strive unceasingly to give you just that type service; but there are ways in which *you* can *help* us to render the prompt service you naturally expect:

1. MAKE YOUR RESERVATIONS EARLY—You'll stand a much better chance of always getting the space you desire if you make your reservations well in advance of your trip. If it should become necessary to postpone or cancel your trip, remember to advise us at once, as there may be someone else desiring your space.
2. ALLOW YOURSELF AMPLE TIME TO CHECK IN—To insure comfortable handling of details, you should present yourself at the counter at least 10 minutes prior to flight time; earlier, if possible. This will help to insure prompt departure of your flight.
3. LISTEN CAREFULLY FOR DEPARTURE ANNOUNCEMENTS—Remember your flight number and respond promptly when your flight is called to avoid possible delay in boarding.
4. HAVE YOUR BOARDING PASS READY—Please present your boarding pass to the stewardess for checking when boarding your flight. This will insure your being on the correct ship and is a necessary requirement. Having your envelope-pass ready will speed entering the aircraft.
5. PLEASE REMAIN ON BOARD AT INTERMEDIATE STOPS—In the interest of speed and comfort, Southern limits its ground stops to 2 minutes in most instances. Your remaining aboard will help to insure the on-time operation of your flight.
6. PLEASE DON'T ASK PERSONNEL TO DEVIATE FROM THE RULES—If you arrive too late for departure, we are, of course, genuinely sorry, but we cannot deviate from the rule that flights must depart on schedule, if we are to maintain the type service we wish to render to our patrons. We know that you will understand and cooperate, when you consider this from the point of our giving the best service possible at all times.

With your assistance, you can depend on Southern Airways to give you on-time service.
