To get from one island to another within the Bahamas, the traveler has two choices: a boat or a plane. Island Flying Service, the charter affiliate of Out Island Airways, flies a plane that's a boat — the Grumman Goose. We can take you *anywhere* in the Bahamas, and we're the only ones who can. Just call 77168 or 77410 in Nassau. Land planes are available for charter as well.

If you fly your own plane, complete mechanical and radio maintenance, as well as fueling are available by calling 77377 or 77388 or Unicom 123.0 Mc/s in Nassau.

Out Island Airways, meanwhile, continues to provide frequent daily scheduled service between Nassau and an increasing number of the Out Islands. Reservation numbers are 77411 and 77113. In the Out Islands, contact our representatives.
