GENERAL INFORMATION

TARIFFS AND LIABILITIES

Fares and schedules and all other information published herein are subject to change without notice. Air Atlantic will not be responsible for damages resulting from failure of aircraft to depart or arrive at times stated herein.

BAGGAGE

Free checked baggage allowance is normally limited to two suitcases, per passenger, space permitting. Specific size and weight limitations apply to all routes. Baggage liability is limited. Ask for details. (All baggage must be labelled with the passenger's name.) Contents should consist of personal items for use on this trip. Fragile items accepted only when properly packaged. Perishable items accepted only when properly packaged and checked as a separate piece of baggage. Money, jewellery, silverware, negotiable papers, securities, samples, and liquids are **not acceptable** in or as part of checked baggage at any time. Articles of value (passports, medications, etc.) should be carried on your person or in your hand baggage. There are many liquids and other substances which are very dangerous to carry or pack in your baggage. The following are some which are either prohibited entirely or may only be carried by prior arrangements: firearms and amunition, matches, lighters, compressed gasses, corosive acids, flammable liquids and solids, mercury, radioactive material, etc. If in doubt call us for guidance.

INSURANCE

You are advised to take out personal travel insurance to cover medical expenses, possible baggage irregularities or having to travel outside the validity of your ticket.
