In the spirit of saving you money, AirBC now offers Convention West™, our new program of low, competitive rates for convention delegates and their spouses. You'll save at least 20% off our regular economy fares, and greater savings are sometimes available with advanced booking. Your travel agent or corporate travel department can book these special Convention West™ rates on your behalf.

*Now more of
the west is
under our wing.*

AirBC is growing...

AirBC now connects 28 business centres in the west over 300 times a day. With this growth, we're taking on the competition head-to-head with new services like the popular Calgary-Edmonton Super Shuttle. We're flying into totally new markets like Peace River and Medicine Hat. And we're adding more flights and new aircraft to places like Kelowna, Terrace, Prince Rupert and Grande Prairie.

Our new service includes assigned seating and advance seat selection on most flights.

Our new schedules are better timed to your business day.

Our spirit shows.

And our new aircraft include the 4-engine British Aerospace 146, the quietest commercial jet in the world – with roomier, 5-across seating.

Of course AirBC is an Air Canada Connector. So you also gain the convenience of one-ticket booking to Air Canada's world.

Giving business a better choice. None of this would have happened without your enthusiastic support. You've powered our growth into the kind of airline the west really needs – a competitive airline that gives you the freedom of choice.

And we've done it all with the friendliest, most enthusiastic flight crews you'll ever get to know. That's what we call spirit.
