[Remind you of anything?]

Blackout periods. The times when other travel point programs won't let you fly on the points you've earned.

What's worse, they occur when most people want to fly. But with these cards, there is no blackout or limited seat allocations. So, anytime Canada 3000 seats are available, they're yours. Isn't that the way it should be? To apply, call 1-800-611-8472.

To fly free fast,
you'll need the **right** card.

Earn one travel point for every dollar spent.

*VanCity, Licensee of Mark. Travel points are earned on purchases, less returns, but not on cash advances, convenience cheques, fees, interest charges or applicable taxes.
