From the very beginning norOntair set out to satisfy the need for scheduled air transportation to smaller communities in northern Ontario. And, today norOntair provides connections with larger

carriers at major centres in the north. We're continuing to grow - linking us to the southern half of the province and western Canada where connections are available to virtually anywhere in the world.

norOntair
norPac

norPac

A service that permits customers to ship envelopes and small parcels up to a maximum of 5 lbs. from point to point on the norOntair system. Strictly an airport to airport

service between norOntair points only.

Air Freight

The quick way to transport larger items of various dimensions and weights. With our service and an extensive network of interline connections, we can ship your goods almost anywhere in the world.

The \$5.00 Northern Skysaver Comeback

Don't miss this opportunity to save up to 45% of your air fare when flying norOntair this summer.

The Northern Skysaver lets you pay for a one-way fare and get the return fare for only \$5.00! Simply book your flight and pick up your tickets 7 days in advance, and stay overnight at least one Saturday before returning.

So whether you're bringing relatives in for a visit or taking a getaway weekend for yourself, be sure to make your comeback on \$5.00.

Call your local travel agent, Air Canada, Canadian Airlines International or norOntair for complete rules and details.
