GENERAL INFORMATION

PASSENGER CHECK-IN

To help us give you better service and on-time departures, we would ask that you check-in at most airports not later than 30 minutes before flight departure if pre-ticketed, and 45 minutes if not pre-ticketed. Reservations not claimed 20 minutes prior to flight departure will be cancelled in order to facilitate the handling of stand-by passengers and cargo.

BAGGAGE

All baggage should consist of personal items for use on this trip. Airlines are not liable for loss, damage, or delayed delivery of such items as fragile or perishable articles, money, jewelry and negotiable papers. For your protection, pack such items along with medication, etc. in your hand baggage or on your person. Free baggage allowance is 60 lbs. (23 kgs.) per person; the balance in excess will be charged the applicable rate. Carry-on baggage is included in the checked baggage weight and must not exceed 22cm X 40 cm X 50 cm in dimension. Many items are prohibited except by prior arrangements. These dangerous articles should be brought to the Carrier's attention to reduce all hazards. Such articles include lighters, matches, compressed gas, firearms, ammunition, corrosive acids, and flammable liquids. (All baggage should be labelled with the passenger's name.)
